BOTH FINED FOR SUNDAY TRADING

MAGISTRATE'S JUDGMENT IN TORONTO CASES

Man Died Suddenly While on Way to Church—Winnipeg Strike Declared Off.

Toronto, Jan. 26.—Magistrate King-
ston this afternoon delivered judgment
in the case against A. Campbell, pro-
prietor of the Grand Union hotel, charged
with violating the Lord's Day Act,
by selling newspapers and a box of cigars
on January 4th. Campbell was
found guilty, fined \$5, and will be
supported in an appeal by other hotelkeepers.
News Agent McSweeney, of the
Herald, was also fined \$5 for a similar
offense.

Sudden Death.
John Templeman, 40 years old, a resident
of this city, dropped dead yesterday
morning while on his way to Erskine
Presbyterian church.

Smallpox.
There are sixteen cases of smallpox
reported on the Tyndinaga Indian
reserve near Deseronto; nine cases are
reported from St. Thomas, four at Enns,
and one at Peterboro. These last were
all traced from St. Thomas.

New Station.
The C. P. R. will tear down the
North Toronto station and build a handsome
new one at Toronto Junction.

Ask For Duty.
Montreal, Jan. 26.—A deputation of
pulp manufacturers waited on Premier
Parent this morning and urged that the
Quebec government place an export duty
on pulp wood. The Premier took the
matter into consideration.

Nominations.
Banff, N. W. T., Jan. 26.—At Can-
more today Dr. Richardson, of Canmore,
and C. W. Fisher, merchant, of Canmore,
Alberta, were nominated to represent
Banff in the Northwest Territories
assembly. Both are supporters of the
Haultain government.

Mourning as Dead.
Winnipeg, Jan. 26.—After a silence of
sixteen years, during which his relatives
mourned him as dead, Mrs. John
Cameron, of this city, on Saturday re-
ceived word that her brother, Mr. Fred
Pearson, was alive and well in Arizona.

Woman Injured.
Workmen while cleaning a large win-
dow sash in the top story window of
the Canada Life block today let it slip
to the street below. Mr. Parker, wife
of a railway engineer, was struck by
the window and received very serious
injuries about the head.

Robbed Employer.
George Ham, charged with robbing
his employer, Donald Munroe, of Spring-
field, has been sentenced to four years
in the penitentiary.

Veteran Mail Clerk Dead.
John G. Moore, a veteran railway
mail clerk of the West, died today, the
result of an apopleptic fit sustained sev-
eral weeks ago. Deceased, who was 87
years of age, was a relative of Sir Mac-
kenzie Bowell and a former resident of
Bellevue, where he was connected with
the Bellevue Intelligence.

Strike Over.
The strike of the United Brotherhood
of Railway Employes against the Cana-
dian Northern Railway company, which
has been since last summer, has
officially declared off to-night, and all
brotherhood men are free to return to
their situations at once should they so
desire. Wages and salaries slightly in
advance of those presented last year by
the men will be accepted by the com-
pany.

PELLE AGAIN ACTIVE.
Broke Out While a Number of Excursion-
ists Were at St. Pierre.

Gastries, Island of St. Lucia, B. W.
I., Jan. 26.—The royal mail steamer
Edgar took over 400 excursionists to St.
Pierre, Island of Martinique, on Satur-
day and returned here today. She re-
turned while at St. Pierre at 5
o'clock in the afternoon Mont Pelée
erupted. At the time there were over
200 people ashore, and great alarm was
felt for their safety. Volunteers from
among the passengers who had remained
aboard assisted the crews of the ship's
boats in listening to the rescue. After
forty minutes of excitement the pas-
sengers were brought back safely to the
ship. Apparently about 800 feet of
smoke in the afternoon has been blown
away. Dense clouds of smoke passed
three-quarters of a mile from the Eik.

ROLLER EXPLOSION.
Anniston, Ala., Jan. 28.—A boiler in
the Saylor Car and Foundry plant
exploded today, killing six persons in-
stantly and injuring several.

VENEZUELA'S OFFER

Of Guarantees Provisionally Accepted by Great Britain and Germany.
Washington, Jan. 26.—The Associated
Press has been informed that Minister
Bowen, acting for Venezuela, in return
for the raising of the blockade, pledges
30 per cent. of the receipts of Porto Cabel-
lo and LaGuayra, the same to be col-
lected by a joint commission, or made
up of one representative from each power
having claims against Venezuela.
There is no information in Washing-
ton to justify the positive statement con-
tained in a Caracas dispatch that the
Venezuelan blockade will be raised Wed-
nesday.

Berlin, Jan. 26.—The report that Ger-
many and Great Britain have provis-
ionally accepted the guarantee submitted by
Mr. Bowen for the payment of claims
received for arbitration is confirmed
here. The guarantee offered is a por-
tion of the customs receipts of La
Guayra, and perhaps of several other
ports. The proposition was first made to
Great Britain, which provisionally ac-
cepted it, and then to Germany, which
accepted it.

A question which is being considered
is whether the allies shall establish an
international commission for receiving
the customs, or whether some neutral
agent shall be appointed receiver. If
the latter course is decided upon, it is
believed that some United States
authority will be chosen, perhaps Mr.
Bowen. The proposal contemplates
dividing the allies' claims into three
grades, and that each be treated sep-
arately and in proportion to their validity.
It is still believed here that all the mat-
ters in dispute will be satisfactorily ar-
ranged at Washington, without resort-
ing to The Hague arbitration court.
Only a portion of the Venezuelan re-
venues will be available for the payment
of the claims, because of the large part
already hypothecated as security for for-
eign loans. The German foreign office is
very hopeful of an early settlement and
of the raising of the blockade, without
much further delay.

A lively exchange of telegrams oc-
curred between Germany and Great Britain
on Saturday before the acceptance of
Mr. Bowen's proposition. It is explain-
ed that Great Britain's acceptance was
forwarded to Washington, first because
Mr. Bowen submitted his proposal to
Ambassador Herbert before seeing Count
Quadt, the German charge d'affaires.
Italy's attitude is to accept any ar-
rangement agreeable to Great Britain
and Germany. So soon as the guaran-
tee for the payment of the first grade
claims is disposed of, the negotiations
for the settlement of the remainder will
proceed with each power independently.
The alliance between Great Britain
and Germany may be considered to have
been definitely ended, so consequent
guarantees is signed, and the consequent
raising of the blockade occurs. The
German cruisers Vineta and Falke left
Curacao on Friday, and therefore the
navy department is not in communi-
cation with Commodore Schreiber; but it is
understood the German naval agent at
Curacao will be kept advised of the pro-
gress of the peace negotiations.

LONDON COMMENTS

On the Signing of the Treaty to Settle
Boundary Dispute.

London, Jan. 25.—The signature of
the Anglo-American treaty to settle the
Alaskan disputes at Washington on
Saturday has given great satisfaction to
the English press, on the ground that it
furnishes, at a critical moment, an un-
doubted proof of the friendliness exist-
ing between Great Britain and the United
States. This is the point which is elab-
orated in all the editorials on the sub-
ject, almost to the exclusion of discus-
sion of the merits of the arbitration com-
mission, with any exception, it is entera-
ined that Little doubt is entertained
here that the United States Senate will
accept the treaty, and that the commis-
sion will ultimately meet in London,
but regret is expressed that no provision
has been made for the appointment of an
umpire, because in the event of the
commission being equally divided in opin-
ion, it is said, the controversy will be
very little nearer a settlement.

One paper thinks that, in this event,
the dispute would be referred to The
Hague tribunal. It is hoped, however,
that the publication of the text of the
treaty may show a more favorable pros-
pect of the commission arriving at a
compromise, thus settling a long-stan-
ding dispute of which, it is admitted,
a settlement is imperative if international
friction is to be avoided.
The Times rejoices at the constitution
of the proposed commission, which, it
says, implies a high degree of confidence
on each side in the equity and friend-
ship of the other side. The same com-
mission, with any exception, it is entera-
ined that Little doubt is entertained
here that the United States Senate will
accept the treaty, and that the commis-
sion will ultimately meet in London,
but regret is expressed that no provision
has been made for the appointment of an
umpire, because in the event of the
commission being equally divided in opin-
ion, it is said, the controversy will be
very little nearer a settlement.

MANY ARRESTS.

Statesmen and Prominent Personages in
Custody at Capital of Persia.
London, Jan. 27.—A dispatch to the
Daily Mail from St. Petersburg re-
ports great unrest during the past week
in Tehran, the capital of Persia. Not
less than thirty prominent personages
were arrested without arrests of indi-
viduals. These arrests are attributed to
St. Petersburg to the influence of the
British minister at Tehran, who is in-
creasingly energetic in behalf of the
most religious sect, a growing power,
which, with a doctrine resembling Chris-
tianity, is trying to overthrow Islamism.

FIFTY-TWO INSANE PATIENTS PERISHED

BURNED TO DEATH IN FIRE AT ASYLUM

Inmates Became Panic Stricken and the Work of Rescue Was Most Difficult.

London, Jan. 27.—Fifty-two insane
patients were burnt to death by a fire
at the Colney Hatch asylum this morn-
ing. The outbreak occurred in the
Jewish wing. The flames spread with
great rapidity, and before they could be
got under control, five wooden buildings,
including dormitories, and the doctor's
apartments, were gutted.

All the efforts of the officials were di-
rected to removing the insane inmates,
but the latter became wild with excite-
ment, and so panic stricken that only
very few were able to help them-
selves, but greatly impeded the opera-
tions of those trying to save them.
There were nearly 600 women in the
burned annex at the time fire was dis-
covered, which were uninjured. There
were some, however, escaped, and are
still at large.

The work of searching the ruins con-
tinues. The officials admit that about
50 bodies have been recovered, but it
is feared that the full extent of the dis-
aster is not yet known. All the victims
were lunatics. Their charred remains
presented a horrifying spectacle. The
asylum was beset by anxious rela-
tives or friends of the parties who ar-
rived from all quarters. Pitiable scenes
were witnessed as weeping men and wo-
men left the premises after ascertaining
that relatives or friends had perished
in the flames.

The nurses had a terrible experience
trying to assist the insane people, who
were so panic-stricken that they had
literally to be driven to a place of safety.
The ignominious premises almost im-
mediately became a furnace. Nothing
was left standing. The corrugated iron
roofs of the dormitories, and the bed-
steads of the patients, were melted by
the intense heat. Some of the inmates
were burned while in bed, and the
charred remains of others were found
huddled together in corners, while
groups of partially consumed bodies on
the site of the corridors showed that
many persons lost their lives and sacri-
ficed those of others in their frantic
efforts to force a passage through the
flames to the main building. The latest
estimate of the superintendent of the
asylum places the number of deaths at
52. All the victims were women.

Narrow Escape.

Winnipeg, Man., Jan. 27.—Benjamin
Hart, a member in the employ of J.
Hopwood, scavenger, while at work un-
loading garbage at the crematory yes-
terday, was blown up and fell head
foremost into the furnace when it was
at white heat, and miraculously escaped
a most horrible death. Hart was un-
loading garbage at the mouth of the
crematory furnace from his wagon. The
matter was frozen and he took his pick-
axe to tear it asunder. He was endeavor-
ing to drag a large pipe, which con-
tained a quantity of old carpet, the car-
pet was rotten, and when he struck it
it exploded, blowing him into the air,
and he fell head-first into the furnace,
taking his pickaxe with him. Fortuna-
tely he had already unloaded a portion
of his load, and there were at the time
the carcasses of two dead horses in the
furnace, or Hart would have been instantly
consumed. Hart at once shrieked for
assistance, and Peterson, the caretaker,
succeeded in rescuing Hart, who was
burned about the face and head, but
will recover.

Warehouse Destroyed.

Armagh, Ireland, Jan. 25.—A great
fire broke out here today and spread
so rapidly that the local fire brigade
was unable to cope with it, and assist-
ance had to be sent for from Belfast, 35
miles distant. Ten of the largest ware-
houses and shops in the centre of the
town were destroyed, the damage being
estimated at \$300,000. The trade of the
town is paralyzed by this destruction.
The timely removal of a quantity of
dynamite from one of the doomed stores
averted a worse disaster.

Furniture Store Destroyed.

Grandview, Man., Jan. 27.—Fire last
night destroyed J. J. Maher's furniture
store. The loss is estimated at \$4,000;
insurance, \$1,000 in the North British
& Mercantile and \$500 in the Canadian
fire. The waterworks system was
saved, as well as the surrounding build-
ings by citizens by hard work.

LAKB FRUGHT RATES.

Chicago, Jan. 28.—Freight representa-
tives at the Lake carrying lines and of
the railroads met here yesterday to discuss
rates and determine upon divisions of
revenue. It was generally understood that
last year's basis of division, which is upon
weight in some cases and upon pro-
portion in others, will be maintained during
the season of 1903.

BLACKLISTED OFFICIAL

Appointed to Important Position by the
Chinese Government—The Powers
Have Protested.

Pekin, Jan. 26.—Hu Lien Sun, gov-
ernor of Hunan, one of the officials black-
listed by the powers after the Boxer
troubles, on account of the complicity
in the massacre of missionaries, has been
appointed governor of Shan Si. The
ministers ignored the failure of the
Chinese government to observe the
agreement to displace him from office,
but now the United States, British and
French ministers are sending a note to
the government saying that consider-
ing the former and recent missionary
murders in his territory under his jus-
isdiction, it is not wise to send him to
a province where the missionary inter-
ests are exceedingly important.

PRINCE FOUND DEAD.

Body Discovered in Park—His Rifle Was
Lying Nearby.

Nordhausen, Prussia, Jan. 27.—Prince
Wolfgang Zu Stolberg-Stolberg was
found shot dead early this morning in
the park of his castle at Rotteleroede.
His rifle was nearby, but it is not known
whether he was murdered or accidentally
shot himself. The Prince's father died
a few days ago.

REPORTED PURCHASE BY GRAND TRUNK

OF MACKENZIE & MANN'S RAILWAY INTERESTS

Lines Already Constructed Would Form
Part of Road to the Pacific Coast.

Montreal, Jan. 27.—It is stated here
that the Grand Trunk has purchased
Messrs. Mackenzie & Mann's railway
interests for \$15,000,000 and purpose to
utilize the partially constructed lines in
the Grand Trunk Pacific scheme. Mr.
R. S. Logan, of the Grand Trunk, says
he has not heard of the deal. Mr. Mac-
kenzie, of Mann & Mackenzie, sailed
for England on Saturday with it, it is
said, all the papers affecting the deal for sig-
nature in London.

From quarters friendly to Messrs.
Mackenzie & Mann news came today
that the sum agreed upon is about \$6,
500,000 over and above the entire cost
of construction up to the present time.
The total outlay, according to the same
estimate of the superintendent of the
\$15,000,000, and Mr. Mackenzie carries
the most minute financial details to Eng-
land so that the deal already agreed
upon can be consummated with little or
no difficulty after he reaches London.

FIGHT WITH ROBBERS.

Four Men Got Away With \$3,000—
Vault Broken Open.

Waterloo, Neb., Jan. 27.—Four men
robbed the Citizens' Bank of Waterloo
early today and escaped with \$3,000 in
cash after exchanging shots with citi-
zens attracted to the scene by the ex-
plosion. A dozen citizens appeared on
the scene after the robbery, and
opened fire on the robbers. The fire
was returned, one of the robbers on
shouting to the citizens that they had
come there to rob the bank and intended
to do it. Another fusillade was exchang-
ed, but nobody was hurt.

BRITISH SQUADRONS.

Three Cruisers to Be Added to the
North American and West Indies
Stations.

Kingston, Jamaica, Jan. 27.—The British
admiralty has decided to strengthen the
North American and West Indies
stations by the addition of three cruis-
ers, with an additional admiral, the
squadron will be divided into two parts,
Northern and Southern, the latter hav-
ing its base here.

SENTENCE COMMUTED.

Col. Arthur Lynch Gets Penal Servitude
For Life.

London, Jan. 27.—The sentence of
death passed upon Col. Arthur Lynch,
who was found guilty of high treason on
Friday last, has been commuted to penal
servitude for life.

ST. PIERRE DISASTER.

Paris, Jan. 28.—The Chamber of Deputies
today voted \$1,400,000 to defray the
expenses of the relief work following the
volcanic disaster in May last in the
Island of Martinique, and passed a by-
law pensioning the widows and orphans
of the officials killed at the time of the
catastrophe.

Count Boni de Castellaine made his
first appearance since his re-election,
and was heartily felicitated.

HON. MR. EBERTS DID THE TALKING

FISHERIES ALONE DISCUSSED YESTERDAY

The Province Wants Entire Control and Is Also in Favor of Traps.

Ottawa, Jan. 27.—The interview of the
British Columbia delegation with the
Dominion ministers yesterday was con-
fined to the fisheries question. Attorney-
General Eberts did all the talking. The
province wanted the entire control of
the fisheries. It also wants trap used.
The fisheries are said to want traps
and the provincial government favors
this. Hon. Mr. Eberts said that the
fishermen were opposed to the proposal,
but they would in time be satisfied. The
province also asked for the refund of
something like one million dollars which
was said to be overpaid to the Domini-
on since Confederation in connection
with the fisheries. One of the Dominion
ministers thought that Mr. Eberts's argu-
ment, if correct, was in favor of return-
ing this money to those from whom it
was collected, and not to give it to the
local government. No reply was made
to this. The delegation will meet the
Dominion ministers on Thursday on an-
other matter.

PROVINCIAL PREMIERS.

All the provincial premiers of the
Dominion waited on members of the
Dominion government this afternoon and
presented resolutions in favor of in-
crease in subsidies to the provinces, and
also certain grants for the increase of
legislation and government. The
resolutions were presented by Premier
Ross, and supported by Premier Parent
of Quebec. On this matter all the
provinces are united. There are a number
of other questions which the different
provinces concerned will take up with
the Dominion government separately. In-
creased subsidies is based on a resolu-
tion passed at the Quebec conference
last year. Reason For Change.

DARING TRAIN ROBBERY.

Silver Bars Valued at Thirty Thousand
Dollars Stolen—One of the Rob-
bers Shot.

Alamogordo, N. M., Jan. 28.—Some-
where between this place and El Paso,
Texas, a United States bonded car,
in transit from the El Paso smelter to
Chicago, loaded with 600 bars of silver
bullion, has been entered by robbers and
eighty of the bars stolen.

At Jarilla Junction the broken seal
was discovered and an investigation re-
vealed three Mexicans in the car. When
an attempt was made to eject them they
pulled knives and a lively fight took
place, in which the crew were victorious
and drove away the robbers. At Dog
Canyon, Sheriff Hunter saw three Mexi-
cans, who took to the brush. A call to
halt was answered by a fusillade. A
running fight ensued, and Hunter shot
one of the robbers through the heart. The
other two men escaped, but possess are af-
ter them.

Officials are of the opinion that the
bonded car was entered just outside El
Paso by robbers who threw the bars out
of the car to be gathered up by confed-
erates. The value of the missing bullion
is estimated at \$30,000.

TORONTO ITEMS.

Andrew Carnegie's Library Offer—The
Temperance Question.

Toronto, Ont., Jan. 27.—The Toronto
public library board is in receipt of an
offer of \$350,000 from Andrew Carnegie
for erecting a new public library in
this city. The application was made
to Mr. Carnegie by James Bein, the li-
brarian. The board received a reply
from Mr. Carnegie's trustees offering
\$350,000, \$275,000 of which is to be used
for the erection of a main building and
\$75,000 each for three branches. The
only condition attached to the grant is
that the city shall furnish a site and
shall guarantee an expenditure for main-
tenance to the amount of \$25,000 per
annum.

Premier Ross, it is understood in gov-
ernment circles, has decided to act on
the mandate of 190,000 odd electors who
supported the Liquor Act in the recent
referendum vote, and will introduce
some drastic measures of temperance.
The receipts of the Methodist church
for missions during the past year
amounted to \$306,429 or \$38,107 less
than the previous year. The required
amount was \$410,000, consequently
foreign missionaries will only receive 70
per cent. of their salaries.

FIGHT BETWEEN KAFFIRS.

Durban, Natal, Jan. 28.—Serious fac-
tional fighting between Kaffirs has oc-
curred in the Umzimto district, 25 miles
from here. It is reported that forty of
the natives were killed.

CASTRO'S OFFER.

Doubts Expressed as to Whether Thirty
Per Cent. of Customs Receipts
is Adequate.

Berlin, Jan. 27.—President Castro's
offer of thirty per cent. of the customs
receipts of La Guayra and Porto Cabel-
lo, as a guarantee for the payment of
foreign claims, is regarded in official cir-
cles here as evidence of the sincerity of
his intention to make a satisfactory set-
tlement. As the offer, however, includes
the claims of other countries besides
those taking part in the blockade, some
doubt is expressed as to whether thirty
per cent. is adequate. A discussion is
now proceeding to determine this point.
It is also uncertain whether the allies
will admit that powers which did not
join in the blockade shall share in the
results the former secured through ex-
pensive naval operations.

German Statement.

London, Jan. 27.—The following state-
ment was authorized by the German em-
bassy here:
"There is not the slightest truth in
the reports of friction or misunderstand-
ing between England and Germany in
regard to Venezuela. Both governments
continue to desire in perfect harmony
and will simultaneously withdraw the block-
ade at the earliest possible moment. It
is to be regretted that the House of
Commons is not in session as a question
in the House doubtless would reveal the
perfect understanding which exists be-
tween the two countries. There has
been no disapproval of any kind expres-
sed by the British government regard-
ing Germany's conduct of affairs in con-
nection with Venezuela. No date has
yet been settled upon for raising the
blockade, but it will cease just as soon
as the representatives of the powers
reach a final agreement with Mr. Bow-
en. The feeling is expressed in the press
here, and reflected in the cable dispatches
from New York, that England finds
the German alliance embarrassing in no
way confirmed by the government's
attitude."

STRATHCONA'S SPEECH.

Canada's Ability to Supply Britain With
Wheat—The Atlantic Service.

Montreal, Jan. 27.—The Star's Lon-
don cable says: "Lord Strathcona was
a guest of Major E. G. Edward Leckie
and officers of the Mounted Rifles at
Cinnar at the Cafe Royal last night and
received an enthusiastic welcome. He
said that dreadful though the war in
South Africa has been, it had demon-
strated that British children looked on
themselves as British in the best sense
of the word regarding the dignity and
interests of the Empire as in their keep-
ing. These must always be mistakes
and Britain has made great mistakes
from which Canada suffered. That was
due to ignorance, not to the desire to do
Canada an injury. Alike in Canada as
in other colonies, no government could
resist an appeal to maintain the Empire.
Happily for Britain, Canada would be
able to produce every pound of wheat
needed to keep this country from starv-
ing in time of war. He hoped soon to
see the Atlantic passage reduced by an
Anglo-Canadian service to four days.
The Canadian footballers were pres-
ent. Mr. Farrel, speaking on their be-
half, said they had come to England
more or less as a pioneer team to learn
the game. They were getting their own
back a little now, and regarded it as a
good omen that they had won the first
match they played in the capital of the
Empire."

FAST MAIL ROUTE.

Dublin Paper Claims Authority for
Statement That Dominion Govern-
ment Will Institute Service.

New York, Jan. 27.—The Irish Times
claims, according to the London corre-
spondent of the Tribune, to have the
most excellent authority for stating that
the Canadian government is about to
determine to institute a fast steanship
service as soon as possible, by which
mails can be landed at Vancouver within
eight days from London. The Domini-
on authorities have not yet fixed a port
of call on this side of the Atlantic, and
Ireland is pushing the claims of Black-
rod Bay, which is nearer Halifax than
any other port in the United Kingdom.

STOLEN GOLD AND BONDS.

Report That Large Amount Taken From
Bank Has Been Recovered.

St. Louis, Mo., Jan. 27.—Representa-
tives of the Bank of Union, Mo., which
was recently robbed, continued their
search of the Rudolph home yesterday
and last night. It
