TERMS OF THE TRADE.

Terms of the answer, which grew into an honest laugh as the whole of the canadian Pacific Service is Up-to-line and the call of Russia.

There was a subduced snicker on the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer, which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer which grew into an honest laugh as the whole line and the part of those who at once saw the "patness" of the answer which grew into an extension of the part of those who at once saw the "patness" of the answer which grew into an extension of the part of those who at once saw the "patness" of the answer which grew into an extension of the patness of the answer which grew into an extension of the patness of

LOCAL NEWS.

friends at an oyster supper. A very pleasant evening was spent.

The government tug Rona will, it is expected, be detained a fortnight in making the necessary additions. She the scows used in connection with the dredges in operation in the harbor. The water hydrant on Waterloo street, opposite Golding street, burst yesterday afternoon, causing a large flow of water over the thoroughfare. were notified of the occurrence and

the necessary repairs were at. lescription of his life and work.

There were no less than three sleigh day, and all practically in one place, between Market square and Church street. In each of the first two sleighs were three ladies, and in the latter one, one gentleman, and to all appear-ances no one was injured. Surely something might be done to level down the hills that exist on either side of the street railway track on this street.

SWAP IN NAMES.

David Matson Wishes He Hadn't Changed With Wm. Dutcher.

(Bangor Commercial.) David Matson, employed in a well known barber shop, wishes he hadn't changed names with William Dutcher. situations. Dutcher, it will be recalled, was brought into prominence last fall, during the small pox epidemic, by fall, during the small pox epidemic, by a report which was sent out that he was dying of the disease, when, in reality, no man of his name had been sick here. This brought out the fact that Mrs. Dutcher, then living in New York, had buried a man whom she thought was her husband, but Dutcher was located by the police in a barber shop here. Now the case is coming inteprominence again and a New York detective has been down here working on

tive has been down here working on it. The local police say that it is a mystery from start to finish. "Yes, I changed names with Dutch-"Yes, I changed halles with Datarer," said Matson, to a Commercial reporter Thursday. "He had been a good friend of mine and he asked me to do this as a favor to him. If I had known what kind of a scrape I was going to get into I wouldn't have done it for a

undred men.
"It was this way. I had known Dutcher in New York and knew he worked for a man named Snyder on Second avenue near Eight street. We went to Boston together and I got a job, but found I would have to join the barbers' union. He told me that he had left his wife and because he didn't want to have anyone know where he was and for other reasons asked me if I'd change names with him. I did so and joined the union under the name of William Dutcher. I had always known

"From Boston I went to Bar Harbor and worked there last summer under the name of Dutcher. I met Dutcher there one day and he told me he had something he wanted me to do in about a month. I had a friend with me and "Thus conscience doth make cowards only saw him a minute. The day I left Bar Harbor in September to come to "Thus conscience doth make cowards of us all."

—Hamlet.

There are few persons who, when goaded to tocture by conscience, have not wished that when they were born they had been born without one.

If there was only a hospital where

CONGREGATION WAS "TOUCHED."

There was a big congregation in the church, and the pastor had been "warming" them up to the needs of a charity that needed a considerable amount of money. To make the hearts "Shall we get bread or oil tonight?"
and the children said, "We would rather be hungry than sit in the dark. We are afraid of the dark."

Of his givers more susceptible the minister had induced some of the young women of the congregation to act as collectors, and at a given signal they were to have passed down the they were to have passed down the various aisles of the church; but one with her were demoralized, too, and the result was that the people sitting on one side of the gallery had no opportunity to give of their means, however much the minister's stirring words might have melted their hearts. The pastor was quick to note the

the gallery.
"Mr. Blank, have no collectors pass ed through that side of the gallery

"No. sir; this whole side hasn't been There was a subdued snicker on the
