FREDERICKTON MOURNS CANON ROBERTS' DEATH.

Beloved Clergyman Passed Away Peacefully
This Morning---A Sketch of His Useful Life---The Head of a Distinguished Family.

(Special to the Star.)
FREDERICKTON, N. B., Oct. 11.—At 5:45 o'clock this morning George Goodridge Roberts, canon of Christ Church Cathedral, and the greatly beloved rector of Fredericton, passed quietly away. The announcement of the death fell as a great blow upon the whole city. All denominations loved, respected and honored him and there were few homes this morning that did not feel that they had lost a loving friend and helper.

Dr. Roberts up to Sunday last, had suffered for some ten days from a severe cold, but in spite of all he still managed to visit about and on Sunday morning last, though suffering great pain, he preached from the pulpit of the church he loved so much. Then he administered the Holy Communion. This was his last public act on earth.

He was driven home immediately afterward and the doctor pronounced his case as pneumonia, and having a weak heart, the disease rapidly made headway. The pain was severe and it was found necessary to keep the patient under a morphine. Though conscious to the last, on account of the stroke, the rector was in a stupor during most of his illness interrupted with attacks of delirium.

Canon Roberts was born at St. John, December 25th, 1832, and was the oldest son of the late George Roberts, B. A., Ph. D., and Emily Goodridge, Ed. at Fredericton grammar school, and the U. N. B., he graduated from the latter in 1852 and took his M. A. in 1854. The graduating class included Col. J. L. Marsh, of this city, and the late W. H. Murray, of St. John.

On Sept. 24th, 1857, Mr. Roberts was ordained into the ministry by the late Bishop Medley and was appointed rector of Douglas. In 1861 he accepted the rectorship of Sackville, where he held for 12 years. On December 11, 1873, he was inducted rector of Fredericton and in 1880 was appointed Canon of Christ Church. In 1891 the University conferred upon his distinguished graduate the degree of L. L. D.

For over a quarter of a century Canon Roberts has been one of the examiners for degrees at the University. He married in 1857, Emma Bliss, by whom he is survived. He also leaves three sons, Prof. Chas. G. D. Roberts, William Carman Roberts and Theodore Roberts, and one daughter, Miss Roberts.

FREDERICKTON, Oct. 11.—The funeral of the late Canon Roberts will be held on Friday afternoon from the cathedral.

ROOSEVELT AGAIN MAKING PEACE.

This Time He Is Striving to Eliminate Brutality from the Great American Game of Football.

NEW YORK, Oct. 11.—According to the Herald circuit, who has sent out in a few days to the collegiate athletic world from the football experts who met Monday night at President Roosevelt, in which it will be suggested that brutality be eliminated from the American game. Contests which are scheduled for this season will be played in accordance with the prevailing rules. At the annual meeting of the Football Association to be held late in the winter at Philadelphia, however, it is expected that changes which have been spoken of with such freedom will be considered.

Of the three best known of the experts who attended the White House conference, Prof. Reid, of Harvard, and Prof. Fine, of Princeton, are of the opinion that the game can be so modified that there will be less brutality. Walter Camp, of Yale, declared last night that under the present rules the roughness of the sport could not be abolished. Mr. Camp said he would make statement as soon as the president releases him from the pledge of temporary secretary, which had been given.

IMPORTANT TIMBER TRANSFER DEC. 31st.

(Special to the Star.)
FREDERICKTON, N. B., Oct. 11.—Wm. Richards Co., Ltd., had a special meeting here yesterday afternoon. The transfer of the Miramichi property from the International Paper Co. has been set upon to take place on December 31, 1905, if certain details can be arranged. The Richards Company are carrying on the business as usual. They are making contracts and have 150 men in the woods. The company's total cut will be about twenty-two million feet.

Considerable dissatisfaction is felt over the I. C. P.'s new time table to go into effect next Monday, as it cuts off several trips of the suburban train to Miramichi.

W. F. M. S. ANNUAL SESSION TODAY.

29th Meeting of the Maritime Organization.

Delegates Warmly Welcomed to St. John—Members of Standing Committees Elected This Morning.

The twenty-ninth annual meeting of the W. F. M. S. of the Presbyterian church, eastern section, opened last night in St. Andrew's church, with about 200 delegates present. At 7:30 the board of management met to draw up the docket for the session, following which a reception for the visitors was held in the school room of St. Andrew's for the visiting members. The reception committee was composed of Mrs. (Dr.) Fotheringham and Mrs. E. A. Smith.

The meeting this morning in St. Andrew's church was called to order by the president, Mrs. Baxter. Mrs. McLeod, of Sydney, opened the meeting with prayer and was followed by Mrs. A. A. Graham with the reading of scripture. Election of standing committees was then proceeded with and the result was as follows:

Nominating committee—Mrs. R. P. Fraser, Pictou; Mrs. Kerr, Halifax; Mrs. Struan Robertson, St. John; Mrs. Dickie, Truro; Mrs. McLeod, Sydney; Mrs. McGregor, Liverpool; Mrs. McKeen, Amherst.

Committee on Credentials—Mrs. Bain, Mabou; Mrs. Sutherland, Halifax; Mrs. Moore, North Sydney; Mrs. J. H. Thompson, St. John.

Question Drawer—Mrs. D. W. McDonald, Westport; Mrs. Grant, Lunenburg; Mrs. D. K. Grant, Parrsboro.

It was moved by Miss Carmichael and seconded by Mrs. Thompson that a stenographer be appointed for tomorrow. After considerable discussion the motion was lost.

An address of welcome was given by Mrs. E. A. Smith, who greeted the visitors most warmly, and in the course of her remarks spoke of the various points of interest and beauty about the city which they should visit. Mrs. McNab replied suitably on behalf of the delegates.

The reports from the ten different presbyteries in the provinces, seven in Nova Scotia, two in New Brunswick and one in Prince Edward Island, were then read by their respective representatives, and were very satisfactory.

It was moved and seconded that the reports be accepted.

Mrs. McNab, of Halifax, the corresponding secretary of the eastern section, then presented her report, giving a detailed account of the work throughout the provinces, and showing a very gratifying increase in the interest in foreign missions and the progress of the work during the year. The report was adopted. The meeting then adjourned until 2:30 this afternoon.

CHINA DEMANDS HEAVY DAMAGES FROM U. S.

Claims Americans Have No Right to Exclude Chinese and Wants Compensation for Those Deported --- Claims Aggregate a Million Dollars.

NEW YORK, Oct. 11.—A Washington despatch to the Tribune says that a new phase of China's policy of retaliation against the United States because of its exclusion laws was discussed at the capital. Societies with officials of the Chinese legation are collecting claims of damages for the deportation of Chinese immigrants for presentation to the state department. The claims arise from the Chinese contention that the Burlingame treaty of 1868, which does not restrict immigration, is the only existing contract between the two governments since the treaty of 1894 lapsed. Every Chinaman who is deported is accordingly encouraged by the Chinese government to communicate with the legation at Washington, stating the financial loss and personal suffering entailed. These claims average over \$1,000 each, and hundreds of them have been received at the legation where the officials are now busy putting them in shape. The complete bill, it is understood, will not be presented to the state department until the amount exceeds \$1,000,000. Anticipating that the United States government will not admit the validity of the claims, it is understood that China will be prepared to appeal to the Hague tribunal for a settlement of the claim. Legation officials explain the collection of claims, on the ground that they will make clear before the world China's attitude toward the exclusion laws.

UNITED BAPTISTS ASSOCIATION COMPLETING DETAILS OF UNION.

For yesterday's proceedings see page 7.
In Waterloo Street Baptist church this morning the first annual association of the United Baptist church of New Brunswick continued its meetings. The meeting began at 9:30 o'clock with the usual service of prayer and song. The most important matter discussed was the report of the committee on the constitution, which was considered in part. The matter coming on again at this afternoon's session beginning at two o'clock.
The committee which consists of Rev. Mr. Hutchinson (chairman), Revs. A. J. Prosser, Dr. Manning, C. T. Phillips, J. H. Macdonald, James Patterson, J. J. Wallace, David Long, B. H. Nobles and H. H. Hughes, held a lengthy meeting in the vestry while the session of the association was continued in the church. Upon the partial report being submitted, it was after some discussion adopted.
A resolution was adopted that the executive consist of the officers of the association together with the following: Rev. A. J. Prosser, Rev. J. H. Macdonald, Rev. Z. L. Nash, Judge Emerson and Rev. Dr. Gieseler.
It was decided that the association meet next year early in July in a place to be decided upon by the executive.
The committee on resolutions reported through their chairman, Barry Smith. At yesterday morning's meeting it was decided that the association should have at least a moderator, a secretary and a treasurer. This morning it was decided that two new officers be appointed, namely, an assistant moderator and an assistant secretary. Rev. B. H. Hughes was elected to the former position and Rev. Mr. Daggett to the latter.
The session will probably finish its work this afternoon. The by-laws and the remainder of the constitution are the chief matters which will be dealt with by the association. Already a large number of delegates have left for home, quite a number leaving by the train at noon. Among those who leave tonight is Rev. Hutchinson, who is going to Ottawa and Montreal. At the latter place he will give the annual address at the Grand Ligne Mission.

JAMES BRENNAN CHALLENGES CHIEF.

Wants to Meet Him in a Boxing Match.

The Charge Against Chief Clerk for Assault Was Dismissed by Magistrate This Morning.

The charge of assault and battery preferred by James Brennan against the chief of police came up again before Magistrate Ritchie in the police court this morning, and the whole morning was taken up with the examination of the witnesses.

James Brennan said he had more witnesses, but they were not present. The magistrate said that as the witnesses were not present the case was closed for the prosecution.

Chief Clerk called Frederick Sandell, the city chamberlain, to give evidence for the defence. Mr. Sandell said he had called on the chief to send a man to keep order in the office while people were paying taxes. The chief relieved the officer at noon. There was no trouble until Brennan made his appearance. The chief asked Brennan if he was there to pay his taxes, and if so to stand in his place in the line. There was considerable loud talk and witness called for order. Brennan then came round in line and paid his taxes. Witness heard Brennan make a number of remarks about the chief. He did not see the chief lay hands on Brennan.

The chief's actions were good. Mr. Sandell was cross-examined at some length by Mr. Brennan, and said that Brennan had been blocking the doorway and was boisterous. Witness said he had only been to Spruce Lake once, and was not there on a "reiter" with the chief.

Wm. O. Stewart another witness said that at the time in question there was quite a crowd in the office including a number of ladies. Mr. Brennan used very loud talk and was talking to Chief Clerk in a most aggravating manner.

Bruce Robb, sworn, said he was at City Hall on Saturday, Sept. 30th, paying his taxes. There was about half a dozen men in line. When he was waiting for his slip of paper from the clerk, Brennan pushed in front of him. The chief said that witness was in before Brennan, and removed the latter from the place. Brennan again pushed in front of witness and to save any disturbance was allowed to remain there. He did not see the chief assault Brennan but the latter made considerable noise.

Charles Dodge next gave about the same evidence, as the previous witness and Chief Clerk also went on the stand and said he did not assault Brennan who was noisy and aggravating.

After the chief and Mr. Brennan got through addressing the court, magistrate Ritchie reviewed the case and said there was not very much in it and he would therefore dismiss it. At this stage Mr. Brennan asked to be heard and informed the magistrate that he believed Jack Power was going to put on a boxing match, and if the chief was willing he would meet him there in a friendly bout.

The party left the court smiling and as if there had never been a disturbance.

Engineer F. A. Barbour arrived on the C. P. R. express from Boston on Monday night and left immediately for Loch Lomond to inspect the work.
