THE NEW ARCHBISHOP

His Personality, Accalements and Reclesiastical Views.

(N. Y. Sun.) The new Archbishop of Canterbury, succeeding the late Dr. Temple, is the Rt. Rev. Randall Thomas Davidson, D. D., Bishop of Winchester. Although it is an appointment which will commend itself to Englishmen throughout the world, it is one which will probably take the English Church by surprise; and for this reason: When Archbishop
Benson of Canterbury died, in Decem
be said to be ugnting a battle with the
people of England for its status as a
permanent national institution. Benson of Canterbury died, in December, 1896, Dr. Davidson was offered the Archbishopric by Queen Victoria through the prime minister, and the nomination was declined, chiefly on president of Mr. Spurgeon's Tabernacle: account of health. Consequently, since Dr. Temple's death the English Church papers have mentioned as popular candidates Dr. Ingram, Bishop of London, who is a constant of the papers and the part in the opening of Mr. Spurgeon's Tabernacle; but he was advised by some of his church friends to change his mind and withdraw the offer. He represents in his person a long line of statesmen and ecclesiastics from the days of Augustine, from whom he is ninety-sixth in succession. He occupies a position in the state made famous by such men as Dunstan, Stigand, Lanfranc, An-selm, Becket, Langton, Cranmer and Laud.

It can hardly be expected that Dr. Randall Thomas Davidson will make a "great Archbishop," but he probably possesses those gifts so necessary at a time when the Church of England may be said to be fighting a battle with the

"Five years ago when my life was hanging in the balance, Dr. Pierree's Favorite Prescription was brought to my home," writes Mirs. Caroline Raif, Director at German Orphan's Home, residing at 333 Rowens Street, Detroit, Mich. "I took it, and, it won me back to health. Ever since that time, I have been its firm friend. We frequently have mothers come to our 'Home' who are suffering with uterine troubles, indiammation, tumors and ulcerations. Our great remedy for a female trouble is Dr. Pierce's Favorite Prescription, and we have found nothing so far which would so quickly cure the disease, relieve inflammation and stop pains. It is a good friend to women."
