## THE GRANITE TOWN GREETINGS

### D. BASSEN

Lower Street St. George

We are beating all records made in Ladies Clothing and Furnishings.

So far this month our sales of ladies clothing and millinery has so far exceeded past records as to make comparison useless.

**This means Something**

Something to the ladies of St. George and surroundings of Charlotte County.

Something to those who want good styles in clothing and millinery.

"Do you imagine our business is growing through luck, or simply because we want it to gain? Not a bit of it.

It is gaining because we are giving a better -- far better value in all our lines.

Especially in our ladies shirt waists and millinery at the present time.

#### ST. ANDREWS

On Monday evening June 1st a number of young ladies gave a play "Miss Frazzless and Co." in Andrae Hall, for the benefit of the Methodist Church, which was a complete success. The characters were all well taken, Miss Kathleen Cockburn was particularly good in the character of "Tush Katie."

Mrs. Bob Stuart of Houlton Me. is the guest of Sheriff and Mrs. R. A. Stuart.

Frank E. Stuart is home again from the far West, where he has spent two years. He intends going to Halifax, N. S. for a few weeks.

Rev. M. Bowser and family of Wilmington, Delaware, are here for the summer.

Mr. and Mrs. Bart Rigby, have moved to Mrs. Burpee Hanson's cottage.

Mrs. Chas. Mowatt and her daughter will be guests of Mr. and Mrs. Sidney MacMaster, for the summer months.

Miss Andrews, Minister's Island, has returned to Boston, to resume her nursing duties.

#### Fishing

It would be interesting to know from how many little wilderness stations in the North there goes each spring, to eager business and professional men in the large cities, the message that the ice is out. If one could measure and sum up all the pleasure of those who take the message for their marching-orders, and all the increment of health and strength that comes to them by virtue of their annual fishing trips, it would make the world seem a very cheerful place.

The charm of fishing, for the normal man, is so deeply rooted that it can be accounted for only by regarding it as a reawakening of primal instinct. When a fly bobs on the rapids or a worm drops into the hole below the big boulder, a racial memory older than history comes to light, and the cashier of the First National becomes blood-brother to the skin-clad savage who made the first hook from a bone or piece of shell.

To the savage, fishing was earning a livelihood, getting a dinner. The fish he caught was the wages he received for working at his job. To his dependant of today, "fishing" is far more. It is a return, for a time, to natural conditions, where the sun touches the skin and the water wets the feet, and clothes are friends which serve, not masters to be considered. The fish himself is not the most important thing in the world; it is a return, for a time, to natural conditions, where the sun touches the skin and the water wets the feet, and clothes are friends which serve, not masters to be considered. The fish himself is not the most important thing in the world; it is a return, for a time, to natural conditions, where the sun touches the skin and the water wets the feet, and clothes are friends which serve, not masters to be considered.

### A Hair Dressing

If you wish a high-class hair dressing, we are sure Ayer's Hair Vigor, new improved formula, will greatly please you. It keeps the hair soft and smooth, makes it look rich and luxuriant, prevents splitting at the ends. And it keeps the scalp free from dandruff.

At the same time the new Ayer's Hair Vigor is a strong hair tonic, promoting the growth of the hair, keeping all the tissues of the hair and scalp in a healthy condition. The hair stops falling, dandruff disappears. A splendid dressing.
