Exhausted Nerves

Sleepless Nights

continually Grew Worse Until Or. Chase's Nerve Food Restored Vigor and Strength.

Mrs. Campbell.

Mrs. Campbell.

What misery to lie awake nights and think of all sorts of things without being able to get the rest and sleep which is necessary to restore the nervous energy wasted in the tasks of the day.

This symptom of sleeplessness is one of the surest indications of an exhausted nervous system. You must have sleep or? breakdown is certain. Dr. Chase's Nerve Food feeds the feeble, wasted nerves back to health and strength. In a few days you obtain the natural, restful sleep which helps so materially in restoring vitality to the nerves and strength to the whole body.

Mrs. Sarah Campbell, 108 Alms street, St. Thomas, Ont., writes: "For months I was so bothered with nervousness that I could not sleep nights. There were other symptoms of exhausted nerves, but none caused so much misery, and I found myself continually getting worse.

"I began using Dr. Chae's Nerve Food, and it was not long before I noticed great improvement in my health. It built up the nervous system wonderfully, strengthened the nerves and enabled me to rest and sleep well."

Dr. Chase's Nerve Food, 56c a box, 6 for \$2.50, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It san't your stemach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse and regulate the stomach, releave the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for menths. Don't for get the children—their little insides used a good, gentle cleansing, too.
