DOUBLE  
HEADER  
YESTERDAY

The double header at the Queen's rink last evening attracted the largest crowd in many years. The first game between the 69th and Siege Battery was won by the latter team by a score of seven to one. From start to finish it was an exciting game and the score was largely due to the weakness in the goal of the 69th. This team shows considerable improvement over its previous game, and once they get the new properly protected they will keep them all busy.

The Siege Battery have developed more speed and are playing together in much better shape than they did in their game with the 140th.

Wallace and Gibson were the bright stars of the Siege Battery. The teams lined up as follows:

Siege Battery. 69th.

MacNeill. Oliver.

115th Defeated 140th.

The second game between the 115th and the 140th was much more like real hockey than the first game and was exciting all the way through, the former team winning by a score of 7 to 5.

First one team would score and then another, so that till the final bell rang it was either team's game.

For the winners MacGowan scored four and Mooney three. Pickard at point showed up well. The 140th lost through their not following up.

The scoring for the losers was done by Casey with three, McAdam and Steele each one. The teams lined up as follows:

115th. 140th.

Goal. Good.

Crossman. Point.

Pickard. Steves.

MacGowan. McAdam.

## CLEVER HURDLER WHO SEEKS TITLES

ARTHUR ENGELS

In the last year Arthur L. Engels, who is seeking hurdling titles, has been very much in the limelight through his clever sprinting and hurdling ability.

He is the most improved hurdler in America today in everything but style, in which he has a lot to learn.

At the regular meeting of Woodstock Lodge No. 11 A. F. and A. M., held Thursday evening, Grand Master H. V. Bridges, Grand Director of Ceremonies, James H. Hawthorne, and other Grand Lodge officers, paid an official visit to the lodge.

The second degree was exemplified and the Grand Master complimented the Lodge on the way in which the work of the order was carried out. He also congratulated them on the large attendance of members present.

During the evening the Grand Master at the request of the members of the lodge presented to Donald Munro, P. D. G. M., who had served the lodge as secretary for thirty-one years with a beautiful Past Master's Jewel, as an appreciation of the many years faithful service he had given to the lodge.

Mr. Munro in accepting the jewel made a fitting reply, thanking the brothers and assuring them he would always value it more for the spirit expressed than for the sake of the gift itself.

After the business session was ended the Lodge adjourned to the Carleton Hotel where a light supper was served and a very pleasant hour or two spent in song and story.
