## Fit-Reform for Men.

'Fit reform" has enabled a great many clothing. The prejudice against any "ready-made" may have been justiin former years when less attention paid to the question of making those nents to fit. But just as a man can to a shoe store now and get shoes to to a shoe store now and get shoes we him exactly so can the man who wants suit of clothes go to Greater Oak Hall d from the handsome "fit reform" cabets select a perfect fit ready to wear, he price is just a little higher than for dinary ready-made clothing, but a good all cheaper than tailor made. The price the straight of sating seven justice. on a strip of satine sewn inside at there is no marking up or marking own. The makers make the price and stands and there is splendid value as ell as comfort and satisfaction in the saring of a "fit reform" suit. The man el fike paying the price of one tailor ade as well as he who desires a neat ting business surt for every day finds
"fit reform" clothing a real boon. Since ovil Bros. Co. introduced this clothing St. John they have found customers in the habit of wearing them. The des this spring have opened up with reater activity than ever before, and very day sees men taking advantage of he opportunity to be well and stylishly ressed at the minimum of cost, which fit reform" enables them to do. The es range from \$10 to \$20 and the suits ow shown are new and stylish goods, up-date in all respects. Scovil Bros. (o. stend a cordial invitation to all men to left their "fit reform" department.
