## The Lamp that Saves the Eyes

Children naturally never think of possible strain on their eyesight when poring over a fascinating book. It is up to you to see they do not ruin their young eyes these long evenings by reading under a poor light. The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price.

It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers.

Easily lighted without removing shade or chimney; easy to clean and rewick. Solid brass throughout, with handsome nickel finish; also in many other styles and finishes.
