CANADIAN NORTHERN "ATLANTIC ROYALS"

St. Lawrence Route Montreal to Bristol

Here is an opportunity to see some of the most famous places of the Old World at a modest outlay. A health-bringing trip and a liberal education combined. You take the "Royal Edward" at Montreal on July fifteenth for Bristol. Special arrangements have been made for the balance of the tour which includes a visit to London, Paris, Amsterdam, Brussels, Ostend, Antwerp, the Isle of Marken, Bruges and historic city of Ghent.

Special—Rovers' Travel Club Tour

This is an especially good year to visit the ancient city of Ghent. On the date the party will reach that city, the Universal and International Exposition will be in full swing. It will be a great Exposition, with its Palaces of Art and Industry housing unique exhibits from all parts of the world. The slogan of this Exhibition is "A Thousand and One attractions Worth Crossing Half the Globe to See."

Familiar as you are with Paris and London, the programme which has been arranged will include many points of interest you probably have not seen before. This will also hold true of Bruges, Amsterdam, Brussels and the other cities on the list. A day and a night in Bristol may be profitably spent by the traveller because some of the most intensely interesting and historic scenes in all England, may be visited there or nearby.

By all means ask or send for the illustrated booklet which contains the complete itinerary and gives the cost in detail. In it is described in chatty and informal style the various places to be visited with pic-

tured account of their most interesting features. Simply write your name and address on the coupon, and you will receive booklet by return mail.
