SLUGGING ON SATURDAY

BUFFALO AND TORONTO GIVE THE FIELDERS SOME WORK. 180 15 LIN

Vive Home Runs-Hamilton Kindly Defeats Rochester-Syracuse Beats Utica-Corn-wall's Lightning Defeat of the Ontarios at Lacrosse-Racing in the States. Upwards of a thousand people had the plea-sure on Saturday of seeing the Buffalos and Torontos contest in one of the biggest slugging matches of the season. In the first three innings the Torontos made 13 bits three innings the Torontos made 13 hits with a total of 21, the second innings alone yielding 8 with a total of 12, while the Buf-falos made 2 with a total of 5. After that Emslie considerately let up on the visitors, in-cidentally striking at the second in the second seco atally striking out two or three, however, to show he could do it if he felt so inhind. In the sixth innings he felt so in-lined that with the bases full he chopped off two men and the side was blanked. On the ther hand Clark, the Buffalo jerker, pitched other hand Clark, the Buffalo jerker, pitched all the way through for all he was worth with the result that he gave four one, broke up his catcher Calhoun, who gave pounded for 21 hits, with a total of 37. The Bisons did some batting themselves, having 14 hits with a total of 25, but the sharp fielding of the Torontos, who have lately shown a wonderful improvement in this respect, kept

hits with a total of 28, but the sharp fielding of the Torontos, who have lately shown a wonderful improvement in this respect, kept the runs down to a reasonable proportion. Home runs were a great feature of the after noon's play, no less than five being made, two by Veach, one in the second and another in the second, and two by Fields, also of Buffalo the first in the fifth and the second in the ninth. Weir (Buffalo) and Smith (Toronto) also deserve to be credited with the same feat. The former sent a cracking liner that bounded over the east fence, but in running he omitted to touch second base and having to go back nearly from third was caught before he could get to the plate. Smith was called on to stop while running from third home and the pause cost lim the tally. To Veach, who, however, was closely pressed by Fields, must be credited to fit to fthe day, a magnificent drive to the southeast corner of the ground, between left and centre, in the last innings. Fields hit was in the same direction, a favorite one, by the way, but was scarcely so far. Besides three-baggers, two having to be credited to Smith and one each to Albert and Morrison of the Torontos and one each to Routhers and Wier of the Buffalos Taking one thing with another it was a stat day for hringing up the batting aver ages. Three double plays also have to be re-corded. In the first innings of the Buffalos Taking one thing with another it was a sent a hot line fly to Weir at short, who held it and threw it to first, capturing Darling, Smith, the Toronto third baseman, rang the curtain down on the play by taking a hot fly from Weir one hand over his head and speed-ing the ball to first, whore Firle went into enforced retirement. A noteworthy feature of the game was the fielding at left it and threw it to first, capturing Darling, Smith, the Toronto third baseman, rang the curtain down on the play by taking a hot fly for Weir one hand over his head and speed-ing the hall to first, whore Firle went into one more chas very unfortunate in hav
