## Racings swimmers have good year

Mississauga Aquatic Club swimmers completed a successful year of competition. The coaches and executive can be justly proud of their accomplishments.

Some 40 swimmers hold CASA amateur cards and most have met or exceeded the established time standards.

Since TOMAC (Town of Mississauga Aquatic Club) was formed, they have competed in at least 25 swimming contests including their own supervised time trials.

At the Scarborough Spring Invitational meet, which included all the top Ontario clubs, TOMAC placed fifth in the standings. At the Ontario Indoor Age Group Championships, TOMAC had

three swimmers in final individual events and their 10 and under boys relay team had a second and a third.

Cam Brady, a breasts-toke swimmer in the 10 and under class, placed first in two events, setting an Ontario record in one of them.

TOMAC is a young club which will obviously become stronger with each month of training and competition.

Head Coach of the club is (Mrs.) Sylvia Eisele. Her experience as a former Olympic Games swimmer (Austria 1948) has been a valuable aid to the club.

The club practices at the Huron Park indoor pool. During the summer, most of the swimmers have a lay-off period.

The accident season is upon us. Don't be a drowning victim. Learn to swim a little bit, it could save your life. And learn some artificial respiration. You might be able to save someone else's life. Contact your nearest swimming pool supervisor, NOW!
