Ottawa, Aug. 30, 1924.

Honourable D.O. L'Esperance,

Paré,

P.Q.

My dear Senator:

I thank you for your letter of the 16th August. I have been away as you know. Senator Webster has told me of the Rimouski organization, etc.

As regards Gaspé, Grattan O'Leary though accustomed to French and understanding it partly, cannot speak French at all fluently. He says, however, he will get down and master it as he has time to do so and I feel sure he will as he is most anxious to carry this riding. He speaks very highly of the man to whom you refer. Please keep Mr. O'Leary in mind.

Yours very truly,
