

(1589)

25th Aug 3

Sir,

In connection with my letter to you of the 18th Instant, enclosing Cheques in payment of the contingent account received under cover of your letter of the 3rd Ultimo, I have to inform you that the sum, \$1⁷⁵ for printing notices of tenders for school houses, should not have been included in your contingent account, as it is a charge against the capital of the Moravians of the Thames and not the managed fund
