Attached are two copies of each tender received regarding charter aircraft for treaty and X-ray party.

1. Wardair Ltd \$1,540.00
2. Pacific Western Airlines \$1,083.60

We had sent out a tender notice to Northwest Airlines at Yellowknife but did not receive the tender forms back to date.

In view of P.W.A.'s lower tender price it is recommended they be awarded the tender.
