Ottawa, March 18, 1915.

Sir,-

I have to acknowledge the receipt of your letter of the 13th instant in reference to the request of Miss Mary Mercier, teacher of the Garden Village school, that she be furnished with living quarters.

In reply I beg to say that Miss Mercier has been informed that the Department is not prepared at present to put up a separate teacher's residence and no suitable addition could be made to the school building.

Your obedient servant,

Asst. Deputy and Secretary.
