DEPT. OF INDIAN AFFAIRS

SURVEYS.

Sir;

I am enclosing herewith one linen tracing, and one blue print shewing the right of way required by the Vancouver Victoria and Eastern Railway & Navigation Company through The Cheam Indian Reserve, British Columbia.

The plan has been properly certified by the Chief Engineer of the Department of Railways and Canals.

I am asking if it would be possible to have your Department approve of these plans, so that the Company may proceed with the work at once, or have the Department's agent go upon the land with the Company's representative and arrange for valuation and the getting on of the work.

I trust this matter may be taken up and considered without delay.

Enclos.

Yours respectfully;

Andrew Haydon

Indian Affairs. (RG 10, Volume 8087, File 987/31-2-36-1
