

- Ex B (A) Rotar arm - found in the jeep.
Ex B (B) Half bottle of Rum - found on the accused when he was searched in the information post.

Cross Exam by defence.

Q. Will you give me the number of your jeep?

A. I'll have to check - 5844312

Q. Did you have any check on the jeep from 2200 hrs 22 Dec 44 until it was reported missing at 0000 hrs 23 Dec 44?

A. I had no check on the vehicle, but had it demobilized as security.

Q. In your original statement you say that the accused stated, who

Q. Did you ask the accused why he had stolen your vehicle when you took him to the info. Post?

A. Yes.

Q. Was the RSM present then?

A. No.

Q. Would you say the Rum in this bottle was (U.S.A.) Rum?

A. I can't say, I am taking the word of the man's statement for it. He said that it was issue rum.

Q. Did you shine a flashlight on the two soldiers when you came up to the vehicle?

A. No.

Q. Did you have any trouble starting the vehicle to get it back to the provost sta?

A. Yes. I had to put in my own distributor arm.

Q. The distributor cap was on the vehicle when you reached it?

A. No sir, the cap was not properly in position.

Re Exam - Prosecution.

Q. Where did you park the vehicle that night?

A. Just outside the Info. Post.

Q. How far away from this pt. did you find the vehicle about 300' to 400' x
