Toronto, Aug. 28th to Sept. 11th

on purchase of \$100 or over

To everyone who makes a purchase of \$100 or over at our exhibit, we will make an allowance from the regular price of any Lister machine, a sum equal to the amount of his railroad fare (only) to and from his home station. This great offer applies to any point in "Old" Ontario and to cash sales only. It does not include Pullman car or similar extra charges.

Now is the time to decide upon your farm machinery requirements.

**Don't miss this great chance to
visit the Fair at our expense
for railroad fare.**

If you are unfamiliar with the merits of the famous Melotte Cream Separator, the Lister Milker, Avery Tractor, Lister Farm Engine, etc., come and see our interesting demonstrations, whether you intend to purchase or not.

To users of Lister Machines we extend a hearty invitation to visit this exhibit. Tell us your experiences and get valuable new pointers.
