**Helps to Success**

If success is the reward of merit, then Church's Alabastine deserves your confidence because it sells on its merits as the only sanitary and permanent coating for the walls and ceilings of your rooms. Kalsomines decay on the walls and are unsanitary—wall papers contain poisonous coloring matter and are the refuge of vermin—but Alabastine (never sold in bulk) hardens with age, like the rock from which it is made. It does not rub off or scale—you use it with cold water. It is one of the "helps to success." But you must be sure to ask for and insist on having
