

GOSSIP.

IMPORTANT CLYDESDALE IMPORTATION.

Last month Mr. T. S. Hassard, Millbrook, Ontario, made a notable importation of horses from Scotland, which included thirteen or fourteen Clydesdales, and two high-class Yorkshire Hackneys, and which are described by the Scottish Farmer as follows: Eight of his Clydesdales were bought from Mr. W. S. Park, Hatton, Bishopton, two each from Mr. Wm. Taylor, Park Mains, Renfrew, and Messrs. A. & W. Montgomery, Kirkcudbright, and one from Mr. James Kilpatrick, Craigie Mains. One of the best animals in the shipment was Champion Tom, a two-year-old colt, got by the H. and A. S. champion horse, Prince Thomas (10262). He was purchased from Mr. Park, and is an uncommonly good, big colt, with the best of breeding. He was bred by Mr. Anderson, Aucharnie, Forgue, and his dam, grandam and great-grandam are big pedigreed mares of the best blood. Mr. Hassard will prove a formidable opponent in the strongest company with this colt. Another horse in the Hatton lot of excellent breeding was got by Hiawatha (10067), whose Cawdor Cup and other champion honors it would take more space to recount than we have to spare at the present time. He won the Cawdor Cup in 1898, 1899, 1901, and 1902; and a half-brother of Mr. Hassard's horse, Marcellus (11110), won the Cawdor Cup in 1903. This horse's dam was by the noted prize horse, Royal Alexander (9997), while his great-grandam was one of the leading prize fillies of her time. Two celebrated prize horses of their own day are here, viz: Mount Royal (8065) and Cawdor Cup (10045). The former was well known in the hands of Mr. George Bean. He has for some time been in Mr. Park's hands. He was second at the H. and A. S. Show at Stirling in 1891, being only beaten by the noted champion horse, Prince of Carruchan (8151). He was also frequently first at the Royal Northern Agricultural Society's Show, and was the sire of the renowned Cawdor Cup winner, Royal Gartly (9844), one of the most successful stallions ever shown in Scotland. Another notable "get" of Mount Royal is Mr. Bean's fine mare, Golden Queen, which, as late as last week, was first in the brood mare class at the Angus Show. Cawdor Cup (10045) had also a remarkable showyard career. He was got by the Cawdor Cup champion horse, Prince of Kyle (7155), and his dam was the celebrated prize mare, Lady Lawrence, which in and about the years 1887-88-89-90 was very prominent at the principal shows in her class. Cawdor Cup (10045) was himself first at the Glasgow Stallion Show when a two-year-old, and frequently winner of prizes and district premiums. He is a big horse with good action, and of outstanding merit. Another of the Hatton lot was got by the noted prize horse, Prince Sturdy (10112*), which won numerous prizes and premiums. Several colts and a well-bred Kintyre filly by Sir Ronald completed the Hatton contribution to the shipment. From Park Mains came the celebrated stallion, Handsome Prince (10356) and Springfield Chief (11953). The former noted horse was bred by the late Mr. Lockhart, and is one of the few survivors of the sons of the world-famed Prince of Wales (673), whose career as a show horse and breeding sire was rarely equalled and never excelled. When eighteen years old he was sold by public auction for 900 gs. Pandora, the dam of Handsome Prince, was scarcely less distinguished than his sire. She was also bred by Mr. Lockhart, and was one of the daughters of the great champion sire, Darnley (222). To-day she is one of the few survivors of a group of prizewinning mares and fillies at the H. and A. S., Perth, in 1887, which expert breeders regarded as truer to Clydesdale type and character than anything seen in recent years. Pandora gained the highest honors of the Scottish show-yards when a yearling and two-year-old, and was then wisely withdrawn from the show-ring that she might be put to the breeding paddock. There she was equally successful. Her first foal was Handsome Prince, which Mr. Hassard has now bought. He was both a prizewinner and a good breeder in Aberdeenshire and other districts where he successfully travelled. His full brother, Mains of Airies, followed, and the same remarks apply. Afterwards

she had Pandora's Prince and Prince of Clay, the former a prizewinner and sire of first-prize H. and A. S. prizewinners, the latter a Glasgow prize horse and champion at the G. A. S. Show. From Messrs. Montgomery came a son of the great Macgregor (1487), and a well-bred young horse by the prize horse, Ornament. Mr. Kilpatrick's contribution was the thick, good Canadian horse, Game Cock (12157), an uncommonly well-bred, long-pedigreed horse.

Colwill Bros., Newcastle, Ont., breeders of Tamworth swine and Shorthorn cattle, send the following interesting notes concerning their stock: "Business has been very good and sales quite satisfactory, and while we have not realized those extreme high prices that we sometimes read about, we are content to do business with small profits and quick returns. We shall be at Toronto Exhibition again this year, like the great P. T. Barnum show, bigger and better than ever before, where we hope to meet with all our old customers, and a lot of new ones. We have some grand stock to offer this year."

IMPORTED PERCHERONS.

A very choice lot of Percheron stallions was imported into Canada recently by Messrs. Hamilton & Hawthorne, of Simcoe, Norfolk Co., Ont., who personally selected them, and did not allow money to stand between them and good horses. We are informed that they got some of the highest-priced horses that ever crossed the Atlantic, and judging from the quality of the horses, we are not disposed to doubt the statement. They are mostly jet blacks, a few being good greys. Xirabade 56369, a two-year-old, is a colt full of substance, weighs over 1,600 pounds now, a jet black, clean bone, good feet, strong coupling, an extra good colt. Spax 91646, a three-year-old jet black, is another very promising colt that will make a big horse, weighs 1,760 pounds now, is strong-boned, with good feet and legs and well-sprung ribs. Portier 91639, a grey three-year-old, is a ton-weighter, will make a 2,200-pound horse, and is as good as he is big. His sire was Brilliant, said to be the king of Percherons, who was imported to the U. S., and it is said his owner refused \$10,000 for him. Portier's grandsire was Besique 19602, another noted sire that sold for \$4,000. Maryland 91997 is a three-year-old, with beautiful top, strong, clean bone, and wonderful muscle. Muster 53324, a three-year-old roan, weighs 1,800 lbs., and is a model actor. Perhaps the sweetest-turned horse in the lot is James 54625, a black two-year-old, one of the Brilliant strain, as clean as a Thoroughbred, and as pretty as a picture. Cormier 53767, a two-year-old, is a beautiful grey, with silver mane and tail, and is a fine-acting horse, that, if we mistake not, will make a show horse and a winner when developed. Pianiste 54341, a black-grey, is a well-developed two-year-old, with good feet and pasterns and plenty of muscle. Commendable remarks might truthfully be made about others, did space permit. This firm intends to exhibit a dozen of their horses at Toronto Exhibition, where they invite all parties interested in draft horses to look up their stables, and inspect their horses. They are not looking at their best, as they did heavy seasons in the stud before leaving France, and having just crossed the Atlantic, have not had time as yet to regain flesh and get thoroughly rested. Several of them are descendants of the most noted sires in France, such as Besique, Romulus, Brilliant and others. Anyone desiring to get a good Percheron will consult their own interest by looking over these horses before buying elsewhere. This firm is also handling Clydesdales and Hackneys. Among their Hackneys is Scoreby Gentleman 8293, by Pilot 2nd 3864, by Lord Derwent 2nd 1034, dam Lady Dorothea by Fireaway 249. Scoreby Gentleman is a handsome brown three-year-old, standing 15.2, and weighs about 1,150 pounds. He is a colt of splendid natural action, and is very fashionably bred. There are also two unregistered Hackneys in this stud, sired by that phenomenal getter of high step-pers, Hillhurst Sensation. They are also for sale.
