THE COLONIAL commenced business I in 1846, and the result which has attonded its operations fully bears out the antiespations of success which its founders entertained:

Division or PROFITS, in 1954, and PER-SONS ASSURING BEFORE 25TH MAY, of Mr. Win. Counabell. 1850, WILL PARTICIPATE IN THAT DIVISION TO THE EXTENT OF YEARS' CLAIM.

The CAPITAL of the Company gives complete security for all its transactions, and parties dealing with the Office incur none of the risks of mutual assurance.

The RATES adopted were framed after a most careful and searching enquiry as to the value of life in North America, and the Directors are coufident that they have adopted as moderate a scale as can be held compati-"ble with safety.

Parties assured can pass between Great Britain and North America within certain limits without extra charge, and have other privileges of residence. as more particularly noticed in the Company's Prospectus.

THE CANADA CO: PANY would submit to the serious consideration of parties who may ontemplate leaving Nova Scotia whether the Western Section of Canada (formerly the Province of Upper Canada,) does not offer every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, the soil very fertile, and abundance of excellent Land to be obtained upon easy terms from the Govern ment and Canada Company. The great succes which has attended Settlers in Upper Canada. is abundantly evidenced by the prosperous condi-tion of the Farmers throughout the Country, and is also shown by the success of many Natives of New Brunswick and Aora Scotia who have settled in many Townships of the Country ; - and the individual progress made by several thousands of people who have taken Lands from the Com-
