The history of the ONTARIO MUTUAL LIFE has been from the beginning of the Company up to the present time, a record of success, alike creditable to its founders, its board of directors, its officers, its agents, and a discerning public.

Success begets Success. The growth of the Company has been rapid, healthy and constant, showing in each year since its establishment:-

A GAIN in membership; in premium receipts; in interest receipts; in surplus in force; in gross income; in new business; in assets for distributing; and in ready convertible cash assets.

The object of all connected with its affairs has been to make it one of the best, the most substantial, and enduring Companies of its kind. The success has so far attended their efforts, the present admitted high financial standing of the Company abundantly proves. Its income has advanced from \$6,698 89 in 1870, to \$1,192,000 in 1883, and its assets from \$6,219 00 to \$3,337,705 00. The number of Policies issued for the first four months of 1883 was 312, for a total amount of \$423,100. And for the same period in 1884, the number issued was 503, for a total amount of \$732,250, being a gain of 191 Policies and \$309,150!!! in amount. These facts speak for themselves, and should induce all intending insurers to pause and weigh well the record and the undersigned for special information before placing their risks in other Companies.

Promptitude in settling claims as well as Equity and Liberality mark the whole history of the ONTARIO MUTUAL LIFE. Ministers will do well to apply to the undersigned for special information before placing their risks in other Companies.

CHOLERA

IS COMING!

The countries where Cholera prevails, as in India, China and Africa, Pain-Killer is considered the surest and safest of all known remedies, and the natives place the most perfect reliance in it.

Read the following extract from the letter of a missionary in China:-

DEAR SIRS:- I ought to have acknowledged long ago the box of Pain-Killer you had the goodness to send me last year. Its coming was most providential. I believe hundreds of lives were saved, under God, by it. The Cholera appeared soon after we received it. We resorted at once to the PAIN-KILLER, using as directed for Cholera. A list was kept of all to whom the Pain-Killer was given, and our native assistants assured us that eight out of every ten to whom it was prescribed, recovered.

Believe me, dear sirs, gratefully and faithfully yours, J. M. JOHNSON, Missionary to Swatow, China.

Beware of Counterfeits and Imitations. Ask for the genuine Perry Davis' Pain-Killer and take no other.
