MUSIC

is a divine art, so philosophers have said. The power to express the greatest variety of sound is not possessed by any other piano in the same perfect way as

The KARN

The word "perfect" comprehends all the qualities of tone, touch and dynamic control of sound.

Karn is King

We possess the finest equipment in Canada for Pipe Organ production, under the supervision of Mr. C. S. Warren, the pioneer organ builder of Canada.

How are Gentlemen Known?

Gentlemen are known in part by the shoes they wear.

Now, we have many kinds and styles of shoes, but all of them are the sort of which no gentleman, no matter how fastidious his taste, may be ashamed.

And the economical man! his shoes are here also. Cost little, but look well and wear well.
