Another Request

We would respectfully ask you to read the address label on the last page of this issue and carefully notice the date thereon, which indicates the date to which your subscription has been paid. IF you are in arrears kindly send a Postal Note for the amount the label shows you owe us, and if convenient add another year's subscription to the amount. This would save you trouble and be a great help to your Church paper.

Within one month the amount sent will be credited on your label showing date paid to.

EXAMPLE:
If label is printed 26 Nov., 11 subscriber owes 2 years to 26th Nov., 1913.
" " " 31 May, 12 " " 2 years to 31st May, 1914.

As we do not send collectors for these small amounts your kind attention will greatly oblige.

SAFETY IS PARAMOUNT

Those who have funds to invest, where safety is the paramount consideration, will be interested in our "Guaranteed Investment" plan. The safety of the principal is assured by the corporation and by a specially allotted and docketed first mortgage. The interest return is also most satisfactory. Write us for full particulars and for our booklet—"Guaranteed Investments."
Sums of \$500 and up are accepted.

**THE
"LONDON TIMES"**
in an important article on Life Insurance, observed:
"The difference between the rate of interest is one of the principal sources from which the with-profit Policyholders derive bonuses. The interest rate is also a large factor in the determination of the premium. It is really as important as mortality."
Since the experience of The Great-West Life in both interest earnings and mortality (as also in expenses) is notably satisfactory—**LOW PREMIUMS AND HIGH PROFITS** follow as a matter of course.
