**J. WHEATON,**

*Recording Steward.*

**THE WORK.**

The usual Sunday and week-night services have been maintained with interest and profit during the year. We trust the sorrowing have been comforted, the weak made stronger, the tempted restrained and all have been inspired to a nobler and better life. Twenty-seven members have been added to the church during the year. Present membership 229.

We report six marriages, eight burials, two adult and fourteen infant baptisms. 350 copies of *Church Tidings* and over 300 copies of other religious papers have been distributed by the pastor. Our aim is to visit all the families at least twice during the year, also extra calls where deemed necessary. The Choirs, Sunday Schools and Leagues have immensely helped in the work.

Recognizing our need, and the promised presence and power of the Divine Spirit, we enter hopefully upon another year.

**POINTS**

The only sinners who are lost are those who die without repentance.

The happiest Christians are the ones who work most at the trade.

Whenever a church bell rings it means that God is still willing to have mercy and pardon the sinner.

It never pays to do a day's work for the devil no matter what he may offer to pay you. The bank on which his checks are drawn failed long ago.

As the goodness of our God has been more than sufficient for all our needs during the past year, so is His grace more than equal to our short-comings.
