CHESHIRE

Mr. Richard Fleming, an old and highly esteemed resident of Greenock township, died at his home, 1/2 miles south of this village, on Thursday, following a brief illness of kidney trouble. Deceased, who was 86 years of age, was born in Ireland and came with his parents to Greenock about 80 years ago, settling on the farm on which he resided up to the time of his death. The late Mr. Fleming was a man of sterling qualities, honest and upright in all his dealings and in his passing, this district loses one of its oldest and most highly respected citizens. His wife predeceased him about 45 years. A family of five sons and four daughters survive: Mrs. Richard Donnelly of Pinkerton; Mrs. H. Desmond of Sask.; Mrs. Jos. Kenny of Cargill; Mrs. Brownell of Pigeon, Mich.; John on the homestead near here; William, James, Thomas and Richard in the West. The funeral took place here on Saturday and was very largely attended.

Mr. Charles Doerr, who purchased Jack Thompson's farm, north of here early this spring and moved here with his family and effects from Kitchener, has sold it to his son, John, who will take immediate possession. Charlie has also bought back one of the farms he owned prior to moving to Kitchener two years ago, from Albert Valad, and will move onto it at once. Mr. Valad is a brother of John Valad, who was killed at Riversdale about two weeks ago, and he is moving onto the farm formerly conducted by his brother near that village.

A reservoir or lake of oil, 37 miles long and seven miles wide, exists in the counties of Grey and Dufferin, within one hundred miles of Toronto unless the confident views of a group of Ontario oil enthusiasts are all wrong.

Rural Canada, a very creditable magazine devoted to agriculture and rural problems, passed out of existence recently after a life of several years. The increase in postage rates added to the high cost of publishing was the cause.

Sympathy for men who commit murder, followed by petitions for clemency, which are acted upon by the government are pernicious in principle. A man who will rob and kill, should pay the penalty. Woodstock business men are to be commended for their attitude in refusing to sign the Garfield petition. The object of these two brothers was robbery and murder if needs be to avoid capture.

Gambling at fall fairs will be closely watched in the future. A resolution was passed at the meeting of the Ontario Association of Fall Fairs at Toronto to appoint a special constable to prevent the admittance or operation of any of the different kinds of fakirs who have been infesting country fairs in the past. Superintendent Wilson stated that if there are any fakirs operating on the grounds the Board of Directors will be held responsible and the fair will lose its grant from the Government.
