REDUCED RATES OF PREMIUM.

CREDIT RATES OF PREMIUM.

THE great and decided success which has atlended this limitation, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary
Kuropean Rates. The result of such Reduction
is to cuable parties to awail themselves of the important benefits to Life Assurance at such loner
Rates of Premium than those of east other assuronce Company t seasociang funiness in Canada.

The Directors have also resolved to extend to
British North America the advantages afforded
by the HALF CREDIT RATES of PREMIUM
which have been so highly approted, and are so
generally adopted by Policy Holders in the United
Kingdom. The most liberal conditions are likewise offered to the Assured to the limits to which
they may proceed by sea or land, to other parts of
North America without affecting their Interest in
their respective Policies.
