## Quarterly Conference Opens Saturday

One of the largest gatherings in the history of the Alberta Stake will convene in Cardston on Saturday and Sunday, Aug. 7th and 8th, the occasion being the regular quarterly conference. Apostle Melvin J. Ballard will be present together with Supt Cummings and representatives of six auxiliary organizations. Many visitors will be here from all over Alberta and indications point to a record attendance, as this conference is of more ordinary importance.

## Cardston To Hear "The Vision"

The people of Cardston and district are scheduled for a rare musical treat on Friday evening, Aug. 13th, when the Raymond Choral Society will present the beautiful sacred historical cantata, "The Vision" by Prof. Evan Stephens. This beautiful cantata is commemorative of the First Vision of the Prophet Joseph Smith. Dr. McBride, tenor, who appeared successfully in the opera "Polestar" will sing the leading roll of the Prophet. The assisting artists have been carefully selected, and as eighty voices comprise the chorus, a splendid musical

evening may be expected. A crowded house should greet the visitors in their most ambitious work yet undertaken. William C. Stone will direct and N. Lorenzo Mitchell will be at the organ. The Cantata was produced in Raymond last Saturday evening in the new Stake Tabernacle. It was attended by a very large number of people and the performance. It is estimated that over 1000 people were in attendance, and the presentation was a magnificent triumph for the choral society.
