

Middle Aged Women

Women should take warning from such symptoms as heat flashes, shortness of breath, excessive nervousness, irritability, and the blues—which indicate the approach of the inevitable "Change" that comes to all women nearing middle age. We have published volumes of proof that Lydia E. Pinkham's Vegetable Compound is the greatest aid women can have during this trying period.

Read About These Two Women

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run-down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which is surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Gibson, 555 Napoleon St., Freemont, Ohio.

Urbana, Ill.—"During Change of Life, in addition to the annoying symptoms I had an attack of grippe which lasted six weeks and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and my Vegetable Compound has made me a well, strong woman and do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."—Mrs. FRANK HANSON, 1516 North Oakdale Street, Urbana, Ill.

ELEVEN DOLLARS PAID AT HAVANA FOR POTATOES

Encouraging to New Brunswick Growers—Minister Comments Upon Adverse Editorial

Hon. J. F. Tweeddale, Minister of Agriculture, has received information concerning the potato market in Cuba which is calculated to give encouragement to producers in this province who have suffered from a depressed market. Hon. Mr. Tweeddale has been informed that the Nova Scotia Fruit Growers' Association which ships potatoes in large quantities has received eleven dollars per barrel for them at Havana.

Commencing today upon editorial reference to himself which appeared in the local Conservative organ Thursday, Hon. Mr. Tweeddale said that he was represented in the article which was built around an interview with that paper itself had asked for as opposed to the United Farmers. He had no quarrel with the United Farmers and was pleased to see them aid themselves through cooperative organization. Remarks which he had made concerning the future prices of potatoes, which also had been referred to editorially, were merely what would be based upon the expectation of a Republican presidential candidate in the United States being elected.

Continuing Hon. Mr. Tweeddale said that no amount of political prejudice displayed by the newspaper to which he referred would convince the farmers of the province that he had not administered the Department of Agriculture to their advantage in every respect.

A BUSY PARSON

These were: George Flowers of East Brighton and Dorothy, the daughter of Mr. and Mrs. Albert Hovey of the same place; Robert Glass and Frances, daughter of Mr. and Mrs. Coles Paget, all of Lower Windsor; Enoch Sherwood of Hartland, and Violet, daughter of Mr. and Mrs. James Wilson of Windsor; and Raybon Swim and Mildred, daughter of Mr. and Mrs. Gordon Luskey, all of Hartland.
