WHO MADE THAT \$100,000 BID FOR FIGHT?

A Suit Has Been Filed at the Chicago Municipal Court by Yank Kenny Against Jack Johnson For \$3,000—Monte Attell Got Decision.

(Associated Press Despatch.) New York, Oct. 27.—The report telegraphed from California last night that N. S. Needham, of Coalinga, Cal., had offered \$100,000 for the forthcoming Jeffries-Johnson fight found no confirmation here to-day. At the Jeffries headquarters Sam Berger, speaking for Jeffries, was inclined to cast doubt upon the story.

"No telegram or communication of any kind has been received from Mr. Needham or anyone from Coalinga or elsewhere offering \$100,000 for the fight. We would be pleased to consider such an offer, but it has not been made," said Berger.

Jeffries himself laughed at the story and said: "Perhaps the wires got crossed." (The big fallow was out early this morning and took a brisk walk through Central Park and up Riverside drive. Some time this afternoon he is to pay a second visit to the surgeon, who removed an obstruction in the right nostril yesterday, to have his left nostril cleared in similar fashion.)

Berger would not comment upon Johnson's telegram asking for an appointment with Jeffries here to-morrow.

San Francisco, Oct. 26.—It is reported here to-day that for several months past Sam Berger, manager of James J. Jeffries and Isadore Golden, one of the justices of the peace in San Francisco, has been collaborating on a play in which the heavy weight champion of the world is to appear shortly. The character of the play could not be learned, but it is understood it is along the lines of "Davy Crockett," in which Jeffries starred at the time he was cham-
