NO. 3. We now request the reader's attention to the third of the R. R. R. REMEDIES. RADWAY'S REGULATORS. Every pill taker should examine the theory on which the REGULATORS are founded. Every one who takes pills, will find RADWAY'S REGULATORS the most pleasant and safe regulator of the Liver, Bowels, Kidneys, and other organs of the system in use.

We have hitherto been treating of diseases or inflammation in its source, chronic state, and its remedies; the RELIEF in one hand and the RESOLVENT on the other. We now pass to the consideration of that state of the system immediately preceding disease or inflammation, viz: IRRITATION. To allay irritation of the nervous system, and remove its effects wherever it exists, and to all the RELIEF or RESOLVENT in treatment of inflammation, are the chief purposes of the REGULATORS.
