In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats and short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of Me and was an object of pity to all my friends. Last September I purchased a bottle of your English subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 18 to 140 pounds in sixteen weeks. I have taken no other medicing since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the firect who asks, "Whate cured you?" and I answer, "Sort" Emulsion of Cop Liver Oil etc. I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and hebourght two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago; but he is improving now woncerfully. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine.

About the 25th of last April I got a bottle of your EMULSION and at that time I was 56 prostrated that no or who saw me though I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the EMULSION in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commence mending, and now am able to ride and walk, and am gaining flesh and streng h rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
