**Learn why PURITY FLOUR is unlike any other brand**

PURITY FLOUR is unlike any other brand of flour. No two milling companies follow exactly the same process of milling. In fact, no two different brands of flour in the world are exactly alike in quality. And here is another fact worth knowing: Every wheat berry contains both high-grade and low-grade portions.

The process of milling PURITY flour costs more than to mill ordinary flour. The low-grade portions are separated and excluded. PURITY is an ALL HIGH-GRADE, hard wheat flour. It has greater strength, greater absorption and greater expansion. It is a thirstier, more elastic flour. It drinks more water and expands into more loaves.

Use PURITY FLOUR for your next batch of bread. Count the loaves. You'll find you have made "MORE BREAD AND BETTER BREAD" from PURITY than when you've used an equal weight of weaker and cheaper flour.

**PURITY FLOUR**

"More bread and better bread"

IMAGINE, if you can, how much whiter, and more toothsome, and more nutritious, the bread made from such a HIGH-GRADE flour must be.

Can you imagine yourself enjoying the flaky pie-crust and the light, delicate cake?—your reward for using PURITY flour

When making pastry, please remember to add more shortening than required with ordinary flour—for on account of its extra strength, PURITY FLOUR requires more shortening for best pastry-results

Yes, PURITY FLOUR costs slightly more than ordinary flour. But use it once and you'll say it's worth more—much more—than the difference.

Add PURITY FLOUR to your grocery list right now.

**REWARD.**

WHEREAS five years ago the word Zam-Buk was unknown in Canada, and Zam-Buk is to-day admitted to be the finest cure for skin injuries and diseases;

AND WHEREAS it has been represented to us that there are still some good Canadians, and even some mothers and heads of families who have not yet tried this great balm, we hereby offer a REWARD of one free trial box of Zam-Buk to every person who has not yet tried this wonderful balm;

PROVIDED they send by mail to us this proclamation together with one-cent stamp to pay return postage of such box;

AND FURTHER PROVIDED that they address such application to our offices at Toronto.

Given under our hand this day.

**BILIOUSNESS AND TERRIBLE SICK HEADACHES**

Both Completely Cured by "Fruit-a-lives"

DEAR SIR, Oct. 17th, 1910.

"I was a dreadful sufferer for many years from Sick Headaches and Biliousness, or Torpid Liver. I tried many remedies and physicians, but nothing seemed to do me any good. I finally used "Fruit-a-lives" and after the first box, I was so much better that I continued using these fruit tablets and they have entirely cured me.

"I certainly can recommend "Fruit-a-lives" to anyone who suffers from Headaches, Biliousness or Stomach Trouble." Mrs. ISAAC VANSICKLE.

Thousands of people have had the same experience as Mrs. Vansickle. They have tried doctors and taken all sorts of medicine, only to find that "Fruit-a-lives" is the one and only remedy that actually cures these troubles.

"Fruit-a-lives" is the only medicine in the world made of fruit juices, and is the greatest Liver Cure ever discovered. It acts directly on Liver, Kidneys and Skin—sweetens the stomach and purifies the blood.

50c. a box, 6 for \$2.50, or trial size, 25c. At all Dealers or from Fruit-a-lives Limited, Ottawa.

**NEW PROFESSOR APPOINTED**

Dr. Weelock, New Professor of Physics

Sackville, N. B., March 14—Dr. Becknell, professor of Physics in Mount Allison University, has signified his intention of not returning to Sackville next year. A meeting of the Mt. Allison Executive to consider the matter was held Tuesday afternoon, when the chair was filled by the appointment of F. K. Weelock, Ph. D., at present professor of Physics in the University of Missouri, Columbia, Missouri. He is a native of Lawrence, N. S., and received his early training in the public schools of Nova Scotia. He attended Normal school in Paris, N. S., 1896-97; was principal of Lunenburg high school for two years, subsequently attending Acadia College, Wolfville, 1901-05. He was vice principal of the MacDonald Consolidated school 1905-06 and afterwards Yale University 1906-10, taking the degree of B. A. in 1907 and Ph. D. in 1910. While at Yale Dr. Weelock assisted in laboratory work and the last year had charge of one of the laboratories. He is spoken of as being a very strong teacher, careful and thorough, conscientious and reliable.

Personally he is said to be very attractive, large and robust, handsome and with excellent manners. He is quiet, modest and unassuming, honest and sincere.

Did you ever hear any one say they could not get good coffee except in the States?

I have heard it, scores of times, and it's one of the reasons that made me decide to go into the Coffee business.

Of the Americans who visit us in summer, hundreds take home a supply of Red Rose Tea because they have never used such good tea before. I determined to put up a coffee that would make for itself just as good a reputation. It has not been easy, but I am sure I have succeeded.

Estabrooks' Red Rose Coffee, put up in sealed tins is—well, it's good coffee. You and your American friends will say so.

A good combination is Estabrooks' Coffee for breakfast and Red Rose Tea for other meals
