for us fundreds of new clients, who, being so pleased with their free watch, that they are now our permanant custo-mers, we have decided to further advertise and gain reco-gnition in 1000 new homes, by giving away amother 1000 valuable watches, to those who are clever enough to fill in the missing letters in the following phrase.

T-ES. W--CH-S A-E F-L-Y G--R-NT-ED

By correctly filling in the missing letters, you can obtain absolutely free a watch, that will equal for time any solid gold watch made, which is sufficiently proven by the large number of testimonials that we have received. Solve this puzzle correctly and comply with our simple condition of which we will write when we inform you if your reply is correct, write clearly, your name and complete address, so that we may without delay inform you of your success.
