My principles are well known to many
of you, and to those who do not know
them, I trust to have an opportunity of
meeting and explaining more at length.

If elected to represent you, I shall
give an independent and hearty support
to the present Government in carrying
through all measures that have a tendency to promote the interests of the
Dominion, such as opening up at once a
cheap and easy way of access through
our territory, and in connection with
our present Railway system to the great
North west, and as soon as practicable,
to connect the
Oceans by rail.

I shall at all times give my support
to all measures that will have a tendency
