BEAVER FLOUR

combines the rich gluten of Manitoba Spring wheat and the lighter, but equally important, properties of Ontario Fall wheat. The two combined form a perfectly blended flour that makes bread light, white, nutritious and extremely palatable, while pastry made with Beaver Flour has a crisp, flaky texture that brings many a compliment to the cook.

You don't need to be an expert in baking to attain the best results with BEAVER FLOUR.

But if you are an expert, you will readily recognize its incomparable qualities.

Your grocer has BEAVER FLOUR, and will recommend it.
