

H.P. SAUCE

is made in England and enjoyed all over the world.

The delicious flavour of H.P. Sauce is obtained not from one fruit, but many of the choicest Oriental fruits and spices perfectly blended—that's the secret—that's the secret—no one flavour predominates.

That's why connoisseurs prefer H.P.—in fact, they always use it—DO YOU?

The Sealers Leave.

Yesterday at 6 p.m. the big ships of the sealing fleet left for the haunts of the hoods and harps amidst the cheering of their crews assembled on the barricade and the answering cheers of the people collected on the different city wharves. The Adventure was the first to steam through the Narrows, the Bonaventure following closely after her, the Bellaventure, with the mammoth sealer Florizel bringing up the rear. Not alone were the wharves crowded with people, but the north and south Batteries were crowded with spectators and cheers were heartily given and volleys of musketry fired in salute to the departing sealers. The boys on the different barricades of the ships cheered lustily in answer to these hearty greetings until the last ship was well away from the North Head. The ships sped down the shore at top speed and at Cape St. Francis it appeared as if the Bonaventure led. The ships are now well away on their quest, and as several of them are fitted with wireless and it is believed the seals are well south in a few days they may have cheering news as to the doings of the fleet. We again wish our hardy sealers the fullest measure of success.

His Old Age Made Free From Suffering

BY GIN PILLS

ANNAPOLIS, N.S.
"I am over 80 years of age and have been suffering with Kidney and Bladder Trouble for fifteen years. I took doctors' medicine but got no help. I want to thank you for sending me the sample box of GIN PILLS.

I have taken six boxes of GIN PILLS altogether but got relief before I had taken near that amount. I had to get up some nights every fifteen minutes and had to use an instrument before I could urinate.

Now, I can lie in bed four or five hours without getting up. I can say that GIN PILLS have nearly cured me and I shall always keep a box in the house."

W. H. PIERCE.

Do as Mr. Pierce did—write us for free sample box of GIN PILLS and see for yourself just how much they will do for you.—then buy the regular size boxes at your dealer's—50c, or 6 for \$2.50. 8902—A NATTY SUIT FOR THE BOY

Boy's Russian Suit with Knickerbockers and Undershirts.

A comfortable model is here illustrated that will prove a splendid summer suit, without the underwaist, which can be added on cool days. Brown serge was used in this instance, with trimmings of brown satin. Linen, galatea, pique, corduroy, chambray and similar fabrics are all appropriate for this design. The pattern is cut in 3 sizes—2, 4, 6 years. It requires 1 yard of 36 inch material for the underwaist and 3 yards of 44 inch material for the suit for the 4 year size.

A pattern of this illustration mailed to any address on receipt of 10c. in silver or stamps.

Suitable materials for any of these patterns can be procured from A. R. & SONS, Ltd. Samples on request. Mention pattern number. Mail orders promptly attended to.

8867-8868 — A GRACEFUL MODEL FOR MISSES OR SMALL WOMEN.

Very effective is the yoke arrangement here shown. It is cut with a cap sleeve in one, and is finished with a pointed collar and cuff trimming over a tucker that may be of lace, net, or other contrasting material. The skirt has an added shaped flounce section over the sides, which may be omitted. The fulness of the waist is plaited below the yoke, and gathered into the waistband at the waistline. The pattern for the waist 8867 and the skirt 8868 is cut in 3 sizes—14, 16, 18 years. It requires 7 yards of 44 inch material for the dress, with 1 1/2 yards of 27 inch material for the tucker for the 16 year size.

This illustration calls for two separate patterns, which will be mailed to any address on receipt of 10c. for each pattern in silver or stamps.

Please send the above-mentioned pattern as per directions given below.

Troubles of the Enumerators in England Told by One of Themselves.

"Yes, I am looking forward to some many experiences," said an enumerator, "in next year's census in England."

"Amusing incidents? Rather! Perhaps my funniest was with an elderly spinster whose household comprised herself, a domestic, and a gentleman boarder. When I called for her paper I found she had not correctly stated her age.

"She had certainly described her condition as to marriage, but had added the superfluous information 'to be married shortly.' The same note was appended to the particulars relating to her boarder, who was evidently about to be promoted to the position of master of the house.

"A male householder who would insist on describing himself as a 'sweated toiler' occasioned me a good deal of trouble. He protested that he had no Christian name, and that he was too young at the time to have any knowledge of the date and place of his birth.

"But he disclaimed being a 'particular chap,' and said I could write him down as Beezebug, born at Jericho in the year one.

"Another enumerator was astonished to find a peer's wife described as a 'cross-sweep,' and her son as a 'shoeblick' born in 'Darkest Africa.' These slipshodness were followed by legal proceedings.

"Equally eccentric was a householder in a Devonshire town. This man declined to fill up his paper on the ground that he was unaware of his own name and the place of his birth. He was not going to 'perjure' himself by making a false return.

"Quite a delicious excuse was put forward by a country clergyman for refusing to return his paper to the enumerator, who happened to be his parish clerk. He forwarded it direct to the central office, with a letter explaining that he did so because he did not want his wife's age to become the subject of alchouse gossip in the neighborhood!

A Simple Treatment That Will Make Hair Grow

Now Sold in Newfoundland.

Every up-to-date woman should have radiant hair.

There are thousands of women with harsh, faded, characterless hair, who do not try to improve it.

In England and Paris women take pride in having the greatest beauty of the hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA, the Great American Sage Hair Tonic.

Every reader of the Telegram can have an attractive head of hair in a few weeks by using SALVIA.

McMurdo & Co. sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair and itching scalp in ten days, or money back.

"But there was an air of refreshing candor about the native who declared that he was 'making a business of marrying off his daughters for money.' A lucrative occupation, no doubt."

Found a Whitecoat.

Two brothers, Morgan, of India Pond, near Seal Cove, C.B., a few days ago went out in the bay and killed two old seals which were put on the ice. One of them was a female and near it was a fine whitecoat which, when taken ashore and weighed, tipped the scales at 28 lbs. Old timers believe from this circumstance that the seals whelped this year much earlier than usual, that they did not have to go as far north as other years and that the big patch of harp will be found well south of the Funks.

Died Very Suddenly.

Mrs. Bridget Morgan, of Seal Cove C.B., died very suddenly a couple of days ago. She went to a neighbor's house at 5 p.m. and after retiring to her home was seized with sudden illness and in a few hours passed away before Dr. Chisholm, who was sent for, had time to reach her. Heart disease is believed to be the cause of her death. The deceased was over 70 years of age and left six sons and one daughter. One of the former is Mr. Jno. Anthony of the South Side, this city.

A Case of Small Pox.

Yesterday a resident of Torbay, who came down from Ontario via Cape Breton not long ago, came to the city to consult Dr. Brahm as to a disease from which he suffered, which he feared might be small pox. The physician upon examining him pronounced the disease small pox, and he was sent to hospital at Signal Hill. Consts. Furlong and Humber were sent to the man's residence to enforce quarantine regulations, and they will remain at Torbay until the quarantine is raised. The disease from which the man is suffering is of the usual mild type.

Young Men Leaving.

Mr. Percy LeMessurier, late of Bowring Bros. office, leaves here by the Rosalind to-morrow to seek his future in Western Canada and will go as far as Vancouver. Mr. Fred Moore and another young man will leave with him to go to Calgary. About the latter part of the month 15 other young men will quit their present positions in the city and will also go to Canada to settle there and carve out a livelihood.

Indigestion is Ended Forever.

No Heartburn, Gas, Dypesia or Headache five minutes later.

Nothing will remain indigested or sour on your stomach if you will take a little Diapiesin occasionally. This powerful digestive and antacid, though as harmless and pleasant as candy, will digest and prepare for assimilation into the blood all the food you can eat.

Eat what your stomach craves without the slightest fear of indigestion or that you will be bothered with sour risings, Belching, Gas on Stomach, Heartburn, Headaches from stomach, Nausea, Bad Breath, Water Brash or a feeling like you had swallowed a lump of lead, or other disagreeable miseries. Should you be suffering now from any stomach disorder you can get relief within five minutes.

If you will get from your pharmacist a 50-cent box of Pape's Diapiesin you could always go to the table with a hearty appetite, and your meals would taste good, because you would know there would be no indigestion or Sleepless nights or Headache or Stomach misery all the next day; and besides, you would not need laxatives or liver pills to keep your stomach and bowels clean and fresh.

Pape's Diapiesin can be obtained from your druggist, and contains more than sufficient to thoroughly cure the worst case of Indigestion or Dypesia. There is nothing better for Gas on the Stomach or sour odors from the Stomach or to cure a Stomach Headache.

You couldn't keep a handier or more useful article in the house.

Feed Poisons Poultry.

Saturday last Mr. Thomas Barnes, of Nagle's Hill, purchased a sack of cattle feed and bringing it home fed it to his poultry. Sunday he found that from partaking of it 21 fine hens were dead, with two geese and other fowl. He fortunately did not give it to his cattle or they also might have been poisoned. It is believed that the feed contained arsenic or some kind of poison, as small white grains were distributed amongst the feed. The person from whom the feed was bought will be asked to make good.

Lectures To-Night.

Rev. Dr. Kitchen lectures to-night at the British Hall at 8.30 in aid of the Cottage Hospital for consumptives under the auspices of the Daughters of the Empire. The subject will be "Napoleon Bonaparte" and Hon. John Harvey will preside.

Rev. Fr. O'Callaghan will also repeat his lecture on Ireland in the Star of the Sea Hall to-night in aid of a very charitable cause.

At the Masonic Temple to-night District Grand Secretary Walter T. Edgar will lecture in aid of the Tasker Educational Fund, and a large attendance of the Masonic Fraternity will no doubt be present.

Mrs. Piment, the missionary, who some few months ago returned from Japan where she had laboured several years, will give an illustrated lecture in the Methodist College Hall. It will be somewhat similar to the very interesting lecture on Japan delivered by her at Cochrane Street a few months ago, when a very large audience were entertained by her as was absorbingly interested. The proceeds go to the Women's Missionary Society, and musical selections will be given during the progress of the lecture.

Indigestion & Dypespsia

In all its Forms can be Cured.

It is quite a daily occurrence to hear persons say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything, I have no heart to exert myself and at times I care for nothing. I often have a pain in the pit of my stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden.

Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a Bottle of Dr. Stafford's Prescription A. A sure cure for persons afflicted with stomach troubles. It can be obtained at
