at the conference, and took part in be born with a shirt on him,' said a its proceedings. The difficulties that beset Christian missionary work in Africa presented themselves very clearly to Mr. Maclean.

"He points out that the chief obstacle in the way is "that which is created by the riven and divided state presents to heathenism a united front: Christianity is broken intofractions. Behind Islam there is the the problem of election, of which he driving force of an intense realization of one fact-There is no God And in every sphere of Christian acbut Allah, and Mohammed is His Prophet': the power behind Christianity seems often to be only the desire of one fraction to supplant the ed to be a Christian.' The Seventh other. The faith of the Mohammedan Day Adventists confront the Baptists becomes forged into steel on the anvil of fanaticism; that of the Chris- day holy, and not the first, and so be tian becomes soft as lead in the 2 Christian.' The Brethren confront cooling winds of controversy. The the Baptists, and the Friends the amazing thing is that Christianity Brethren, and each raised his testishould, in its present condition, be winning victories, that it is sweeping in his bewilderment, asks, What is masses of the heathen into the fold the truth?" is undoubted. That it should do so in its present plight is the proof of its the hindrance to the cause of misvitality. Were Christianity united sions created by this situation realizand Islam, its day of final victory and nowhere is there so keen a de-

would speedily dawn, says the Lon- sire for their removal as in the mistwo Sacraments by outward signs sion fields themselves. Everywher 4. A common form of Church of realization of a common policy, a "The missions in British Africa,"

comments Mr. Maclean, "have solve the problem of how to combine Epis copacy and Presbyterianism. Th form of organization for the future chial Council, corresponding to the Kirk-Session: District Council. cor responding to the Presbytery; an Representative Council, correspond ing to the Synod. This is alread the organization by which the Ugan da Mission has been developed, com pleted by the Episcopate as the cope stone—a perfect blending of Bishor

and Presbyters. "Rising Tide of Unity."

"Meanwhile each society is autono ous within its own sphere; only the hurch is to be developed along these ines. And the federated missions have a common prescribed course o study for the native ministry, and each minister shall be 'duly se apart by lawful authority and by the laying on of hands.' The unanimity with which Anglican and Presbyte insisted on that last clause was a re velation of the fact that priest and presbyter are at one in regard to things essential; and, most importan of all, they are to develop a common order of Christian worship, so that native Christians shall everywhere feel at home. One last quotation from the official document must suf fice: 'All recognized as ministers in their own Churches shall be welcomed as visitors to preach in other federated Churches.'

Then came the 'incident out which arose the discussion that has nade the obscure African village of Kikuyu a household word whereever a box from all druggists and stores the English language is spoken. "On or post free from Zam-Buk Co., To: the evening of that day, June 20, on

scheme of federation," says Mr. Mac-Every opportunity," says the Lamlean, "a service of Holy Communior beth Encyclical, "should be welcomwas held in the Scottish Church at ed of co-operation between members Kikuyu. Bishop Peel administered the Sacrament, a minister of th Church of Scotland preached the sermon, and all the mission delegates The constituted authorities of the Anglican Communion should, as opreceived the Holy Communion from the Bishop's hands. There was no question of difference between them with the representatives of the other Christians were submerged by the rising tide of love and unity which t to Kikuyu, and how on his arrival ad borne them unward to that hour of the missions in British East Africa. "It was," he declares, "the most field in the world. The missionaries wonderful gathering I ever saw. It in British East Africa and Uganda had represented in it all the Proteshave given the Christian world an tant missions in the Protectorate Church of England, Church of Scot-They have shown how it is possible land, the African Inland Mission for Christians to be 'one that the (American), the Friends' Industrial
