

# In the Good Old Times

YOU LADIES

## Who Were Careful Shoppers,

could wander down Water Street, or perhaps up the Middle Street

### AND GET A BARGAIN

in a Remnant or in perhaps

### A BIT OF POUND COTTON.

With housewifely vision and foresight you could see how these purchases would make up satisfactorily and economically. Even on the ordinary piece goods you could often see your way clear to save money in the making up, rather than buying readymade goods.

### "But Them Happy Days is Past."

Now 'tis a strain on one's brain to know how to make ends meet, and on one's purse 'tis worse. For that reason we are going to let you in on a secret. Possibly some ladies know it already. However, the secret is,—

YOU CAN BUY

## Ladies' Readymade Wear

AT

### BLAIR'S

far cheaper than it can be made up or purchased elsewhere.

There are various reasons for this. The most important is, that these goods were booked before the last great rise in prices, and the materials with which they are made, before the other big rise previously. The next important reason is our conscience. As you are aware, the White Shirting that we used to sell at about 12c. per yard has, on late purchases, to be retailed at about 35c. to 40c. yard, and we hate to mention the price.

### But the Prices of Our Ladies' White Wear

we feel we can mention with pride to any customer. We have at the moment for the early purchaser a large stock of

Ladies' White Embroidered Cambric Camisoles and Chemises.  
Ladies' White Embroidered Cambric Knickers and Combinations.  
Ladies' White Embroidered Cambric Nightdresses.  
Ladies' White Embroidered Cambric Underskirts and Princess Underskirts.

ALL THESE GOODS WE ALSO HAVE IN QUANTITY

### IN FLANNELETTE MAKES.

Some of the Flette Goods were last season's, and some we imported lately, so as to be able to give you decent prices next Fall. Still, there is nothing like buying ahead these times.

### Ladies' Blouses.

We are getting a Name and a Fame for Ladies' Blouses, for we sell good goods at low prices in this department, most assuredly, and stylish goods.

OTHER GOOD VALUES IN

### Ladies' Ready-to-Wear Goods

are shown in our stock of

LADIES' TWEED AND SERGE COSTUME SKIRTS.

LADIES' SHOWER and COVERT COATS.

LADIES' BLACK RUBBER COATS.

### Mr. Grace Notes.

A very enjoyable patriotic concert and social was held in Coughlin Hall on Monday night, at which the handsome sum of \$240 was realized. The concert was under the auspices of Mrs. A. G. Oke, Mrs. James Cron and Mr. A. G. Oke. Our people owe a debt of gratitude to Mr. Larsen for his untiring efforts which went in no small measure to make the affair a success both financially and socially.

Three girls were born to Mr. and Mrs. Abalom Martin on Friday last.

A very enjoyable Sunday School assembly was held in the Methodist Church on Sunday last. The children acquitted themselves splendidly, and the 1918 anniversary was considered one of the most pleasant gatherings held here for some time.

A couple of loads of coal arrived last week much to the satisfaction of many of our citizens who were kept without that very necessary commodity.

Catherine's Guild will hold their entertainment in St. Paul's Hall

on Thursday. From what we can gather this entertainment is going to be a surprise to our people, and we predict other entertainments soon by these young ladies.

Mr. A. J. Donnelly, of the Pleasure Theatre, will give a show on Tuesday night next for the benefit of the W.P.A. The many who heard Mr. Donnelly's recitation on "The Volunteer," given on Monday night would be pleased to hear it repeated on Tuesday.

Mr. Bernard Reddy left for St. John's on Monday morning, accompanied by his daughter, who will enter the General Hospital for treatment for eye trouble.

Mr. Andrew Power left for St. John's on Saturday to consult the doctors at the General Hospital, as he is suffering from stomach trouble.

A FOOD POEM.

A Barnstead, Organizing Secretary

At the moment there is no country in the world better supplied with food than Newfoundland, but this might change any time. Therefore, it is up to us all, if only for selfish reasons, to plant all the potatoes, turnips, carrots, etc., that we can. Time you were starting! What?

I accompany this article with an extract from the Montreal Daily Star, and which is sung to the tune of "Over There," which you often hear the Brigade Bands playing.

You can sing it if you are musical when you are digging, and if you are not musical it may grate upon the ears of those beastly yellow butterflies, which I understand are responsible for grubs on the cabbages, and it may steer them to a neighbour's garden.

THE F. F. DALLEY CO., LTD., Buffalo, N. Y.

### Grow Potatoes and Help Win the War.

Some of us are planted here at home, and perhaps wondering what we can do to help win the war. It may not seem a way in which to win much glory (and if one is elderly, he may risk getting rheumatism) but it may be that the spuds you set, may help win the war. For this war in the long run, is going to be a question of Man Supply or Food Supply, or both combined, and the humble spud is the next best thing to King Wheat. A hungry stomach is a strong persuasion for peace! Are our Armies or those of our Allies to be forced to a German Peace by empty stomachs? So now I say to you if you are planted here at home, perhaps planting potatoes may be what is up to you to do, as your bit. If you haven't got a bit of land of your own, buy a bit, and if you can't buy a bit, beg, borrow or pinch a bit, and set it out with potatoes, root crops or other vegetables.

In one of the city papers the other day, there was a sketch of a young chap going to get his bag of Golf Clubs to take to, and start the season at the golf course, and finds that an older relative had filled it with hoes, rakes and spades, etc., as more to the point. With the Daylight Bill now in force, there is more time in the evening, and outside of the plutocrats edging off on golf and taking up digging the land with a spade instead, as an exercise, there are others amongst us, democrats, who might perhaps ease off on the strenuous exercise of playing cards, or going to the nickels every evening.

Later on you will be taking a pride in saying,—Yes, my boy, all the vegetables you see on the table came out of our own garden. I had a high old time with the grubs on our cabbages, but I felt I was not going to be downed by the beastly things, and I reckon I have killed some four or five thousand. Every additional friend that you will then be proudly asking in to dinner, well, in telling him about the grubs, you can surely add another thousand to the casualties.

Now the first thing somebody will be asking, I know, is what price will potatoes be this year, and saying perhaps we are not going to set potatoes, if we don't get a good price for them. Now don't worry about the price. In this case price does not count; it is a matter of helping the Empire, and our Allies, win the war.

There are lots of men who have given up the chance of making \$5.00 to \$10.00 a day for the privilege of doing their bit in the Army at \$1.10 per day, and they will be followed by others.

Now are you going to consider how much money you want, to do a patriotic duty?

HOW ABOUT FORMING A POTATO LEAGUE?

Later on some of the potatoes you grow and the potatoes your friends grow, etc., might be sent to the Old Country. We might get a special rate from Major Montgomery, of the Furness Witly S. S. Co. here, for a good sized shipment, or the Government might arrange the space.

Anyhow the world can't have too many potatoes at this time. Food is scarce in the Old Country. Saturday, I changed a cheque for a naval reservist home on leave, and he said he would not have had so much money, only he was not able to spend when ashore, as there at the hotels and restaurants, everybody was on short allowance, and you were only allowed to buy so much; all the money in the world could not buy more, and in fact it was much better faring aboard one's ship.

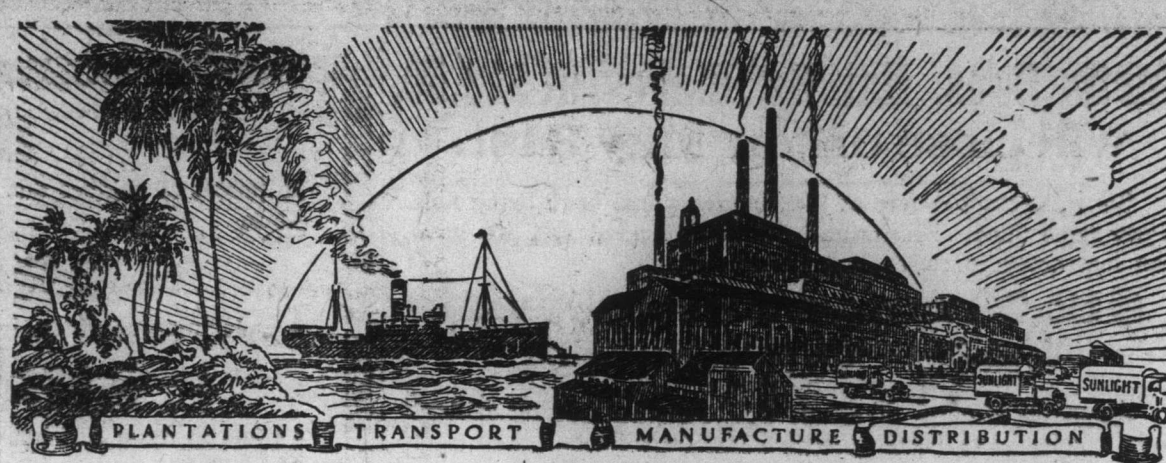

At the moment there is no country in the world better supplied with food than Newfoundland, but this might change any time. Therefore, it is up to us all, if only for selfish reasons, to plant all the potatoes, turnips, carrots, etc., that we can. Time you were starting! What?

I accompany this article with an extract from the Montreal Daily Star, and which is sung to the tune of "Over There," which you often hear the Brigade Bands playing.

You can sing it if you are musical when you are digging, and if you are not musical it may grate upon the ears of those beastly yellow butterflies, which I understand are responsible for grubs on the cabbages, and it may steer them to a neighbour's garden.

## SUNLIGHT SOAP

The name Lever on Soap is a Guarantee of Purity and Excellence.  
LEVER BROTHERS LIMITED, PORT SUNLIGHT, ENGLAND.

of the National Committee on Food Resources of Nova Scotia, has sent the following to The Star which was composed by George E. Graham, Manager of the D. A. R., a subsidiary Company of the C.P.R., and which was sung with good effect at a public meeting held recently at Kentville, N.S.

Johnny get your hoe, get your hoe, get your hoe,  
Make your garden grow, make it grow,  
Plant your seeds from sea to sea,  
Let them work for liberty.

Hurry right away, don't delay, start to-day,  
Forward to the land with a right willing hand,  
So we'll help defeat the Hun,  
Now we've got him on the run.

Over there, over there, over there,  
Send the food, send the food, over there,  
For our brave boys need it, our brave boys need it,  
The boys are coming everywhere,  
So observe and persevere,  
Save the food, save the food, and conserve,  
So we'll help win the cause of freedom.

And we'll plant, save and send, till it's over.

### KEEP YOUR HOLIDAY HEALTH

Make it your business to always look and feel as well as you do at the end of your vacation. Sunshine, fresh air and exercise are nature's great restorers and the health gained during a holiday should carry you well along to the next vacation.

It is most important that the blood be kept cleared of impurities. This is the business of the Kidneys. One hour's inactivity on the part of the Kidneys and the blood begins to get clogged with poisons which are carried to all parts of the body—giving rise to one or more of the following symptoms:

Rheumatism follows the crystallizing of uric acid in the muscle tissues and joints. Uric acid poisons should be eliminated by the Kidneys.

Swollen joints and ankles indicate the immediate need for Gin Pills. Pains in the sides and back and through the groins, constant headaches, restless nights, derangements of the urinary system, stone and gravel, puffiness under the eyes and frequent chills—all these should be taken as warnings and a treatment with Gin Pills taken at once.

\$6c. a box or 6 boxes for \$2.50, or a free sample will be sent upon request to National Drug & Chemical Co. of Canada, Limited, Toronto, or to the U.S. address, Ma-Dru-Co Inc., 202 Main St., Buffalo, N.Y.

### Bay Bulls Notes.

All around are signs of bustling activity. Many lots of new land have been cleared and old ground broken, with the grand result that acres hitherto neglected, or but scantily tended for years, are now under cultivation on an unprecedented scale.

The white horse is a prominent feature of the landscape, drawing the plow and the harrow, men are busy in every field and garden of this harbor, which is a most encouraging and wholesome sign that the people realize the great need of the times—the WIN the WAR spirit.

Boat building, which is, or should be, a feature of every fishing center goes on apace. The O'Brien's of the Beach have three boats (Father O'Brien's model) and Messrs Andrew Armstrong, Fred Williams and John Maloney are busy putting the finishing touches on new and substantial craft, all of which will be fitted with motors for the prosecution of this season's voyage.

Mr. Ambrose Hearn is erecting a saw mill which will be a great boon to the builders of the settlement.

Sheep raising is also flourishing here. Sheep are animals that don't need great care it is true, but I have seen enough to venture the suggestion that some people might be more careful.

The Rev. Fr. O'Brien, who has, for the short time he has been in this parish, wrought so much that will be of lasting benefit to Bay Bulls, is now erecting a spacious Convent that he hopes to have finished by New Year.

The coming of the Nuns will be a great blessing to the children of this place and Fr. O'Brien is to be congratulated on the zeal and untiring energy displayed in his people's behalf.

### Wedding Bells.

A quiet wedding was solemnized Wednesday afternoon, at Gover St. Parsonage, Rev. D. B. Hemmon officiating. The contracting parties were Mr. S. E. Pinsent and Miss Violet Ralph. The groom was supported by Mr. A. Moore, while Miss Ethel Ralph, her sister, assisted the bride. After the ceremony, luncheon was served at the home of the bride's aunt, Mrs. J. LeDrew. The happy couple left by the evening train for Kelloggsville to spend their honeymoon, and to them we extend our heartiest congratulations.

### Always Had Headaches

Liver Was Torpid and Bilious Spells Brought Sick Headaches—Lost Much Time, But is Now Completely Cured.

Here is convincing evidence that however much you may suffer from liver trouble and consequent biliousness there is cure in the use of Dr. Chase's Kidney-Liver Pills.

Over-eating is the most common cause of sluggish liver action. You lose your appetite, have distressing bilious spells, usually accompanied by headache and vomiting, the bowels become irregular, constipation and looseness alternating, digestion is upset and you get irritable and downhearted.

No treatment so quickly awakens the action of the liver and bowels as Dr. Chase's Kidney-Liver Pills. For this reason this medicine is wonderfully popular and has enormous sales.

Mr. Charles R. Tait, Newtown, N.B., writes: "I was nearly always troubled with headaches, and would often have to stop work for a day or two. I lost many a night's sleep every month with bilious headaches, and although I tried doctors' medicines, and also many other patent medicines, it was without success. When I had these headaches I would vomit and could keep nothing on my stomach."

"I purchased a box of Dr. Chase's Kidney-Liver Pills from G. M. Fairweather, Druggist, of Sussex, N.B., and after taking one box I was so much relieved that I continued to take them until I am now completely cured. My advice to anyone suffering from sick headaches is to try Dr. Chase's Kidney-Liver Pills and be completely cured."

Mr. A. S. Mace, J.P., endorses the above statement and says: "This is to certify that I am personally acquainted with Charles R. Tait, and believe his statement in every way to be true and correct."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers or Edmanston, Bates & Co., Limited, Toronto. Substitutes will only disappoint. Insist on getting what you ask for.
