THE SYMBOL OF TRUE VALUE ON EVERY ONE.
Proudly we show them. Thousands of patterns of every variety, hue and contrast. You'd gasp in surprise were we to show you this late shipment in its entirety. We buy heavily because we sell heavily. Many men come to buy one tie and cannot resist adding another. They entice, they plead in radiant color language, and you find you cannot say no.
Yes, we know what the young men want—and we get it, that's the secret of our success.
Come in and look around.
