Miss Maud Hooper, City, United in Marriage to Mr. Lester E. Dell. of Omaha. Neb.

A charming house wedding took place this afternoon at the residence of Mr. and Mrs. Wm. Hooper, 176 Horton street, when their only daughter, Maud, was united in marriage to Mr. Lester E. Dell, of Omaha, Neb. The decorations of the rooms were of a most artistic character, being composed of flowers and Canadian and American flags, intermingled. Only the immediate relatives and friends of the young couple were present at the ceremony, which was performed by Rev. Dr. Johnston. The bride was attended by Miss Dur-kee, of Detroit, and Mr. W. B. Somerville, of Detroit, acted as groomsman. The bride was exquisitely attired in a castor broadcloth traveling Her dress, with large picture hat. bouquet was of white roses, while the bridesmaid carried red roses. After the ceremony the guests sat down to a dainty breakfast. Among the numerous handsome presents received by the bride was a magnificent silver tea service from Mr. and Mrs. Wm. Ward. Mr. and Mrs. Dell left for Denver, Col., where they will spend their honeymoon. They will reside in Omaha, where Mr. Dell is traveling representative for McCord & Brady, wholesale grocers, there.

In Pennsylvania Coal Regions-Concessions Fail to Influence Strikers.

Hazleton, Pa., Oct. 4.-The only incident of the morning in the Hazleton region worth mentioning was the march of about 200 mine workers from the Diamond in the northern part of the city to No. 40 shaft of the Lehigh Valley Coal Company in the eastern section of the town, where they expected to get more men to quit. Sheriff Harvey reasoned with the men, tell-ing them that if they placed a foot on private grounds he would be compelled to arrest them for trespasses. The strikers took the county official's ad-

vice and dispersed. Shenandoah, Pa., Oct. 4.-Concessions announced yesterday by the Phila-delphia and Reading Coal and Iron Company were not sufficient to induce the striking mine workers of the Schuylkill region to return to the collieries today.

Gen. Corbin stated today that his information from the Panther Creek Valley was to the effect that all the coilleries there were working as usual, and no trouble was anticipated.

The national band concert given by the S. A. Brass Band in the Citadel last night was well attended. The programme was excellent. New Note

Addressed by Germany to the Powers

In Regard to the Emperor's Edict, Punishment of Certain Chinese Princes-Unity of Action.

Berlin, Oct. 4 .- An official of the foreign office informs the correspondent of the Associated Press that Germany is issuing a second note to the powers regarding the methods of securing punishment for those guilty of the outrages in China. This note is issued as a result of the edict of the Emperor of China beginning proceedings against Prince Tuan and others.

Berlin, Oct. 4.-The new German note is as follows: "The Emperor of China has addressed to the powers an edict, dated Sept. 25, in which he orders the punishment of a number of princes and dignitaries (mentioned by name), for having en-couraged the Boxers. On the assumption that the edict is genuine, the Gerprocedure proposed in its circular note of Sept. 17, has further proposed to the powers to come to an agreement to instruct their diplomatic representatives in China to examine and give their

opinion on the following points: "First-Whether the list contained in the edict of persons to be punished is sufficient and correct. "Second-Whether the punishments

proposed meet the case. "Third-In what way the powers can control the carrying out of the penalties imposed.

"The information received up to the present concerning the reception of this proposal by the powers justifies the belief that a general understanding on

UNITY OF ACTION.

Washington, Oct. 4. - The United States Government has taken another decisive step in the development of the Chinese situation in a note delivered today by Secretary Hay to the German charge d'affaires. Baron Speck Von Sternberg. In the note favorable action by this government on Germany's latest suggestion concerning the punishment of Chinese criminals is expressed, and the announcement is made that the United States has already sent instructions to Minister Conger along the lines indicated. The instructions to Minister Conger are that he shall learn the names of the Chinese offenders who are to be punished: also whether the punishment to he administered is adequate to their offenses, and finally, whether the punishments are actually administered. The American note is considered most important in the establishment of complete unity of action between the United States and Germany.

MEDS' MERRY MIX-UP

Freshmen at the Medical School Get Their Bumps at the Hands of Second Year Men.

This morning the annual hustle and

initiation of the freshmen at the Medical School by the second year men was enjoyed by the latter and endured by the former, with as much fortitude as they could command under the depressing circumstances. The freshmen were a stalwart crowd, and not disposed to yield easily to the prowess of the second year men. They put up a strong defense and a Herculean struggle ensued. It was twelve minutes before the last resistant was overpowered and consigned to the gloomy depths of "the hole," there to receive liberal deluges of water and volleys of firecrackers. When they had been incarcerated for a period judged sufficient for the chastening and humbling of their spirits, they were released in batches of four, led to the dissecting room, and there, with many weird and ghastly rites, initiated into the noble fraternity medical students, swearing by the sacred beard of the janitor, and many another horrid oath, to hereafter acknowledge humbly the superiority both physically and mentally - of the second year and senior students, and to accept such other conditions of freshmanship as were deemed needful. Then in peace and amity all adjourned to the lecture room, where an impromptu programme of songs, stories, speeches and graphophone selections was rendered. During the proceedings somebody-no one knows who-pulled the fire alarm box at the corner, and the central and East End sections of the brigade responded. Chief Roe and the fire laddies took in the situation. and good-humoredly accepted it, and they were roundly cheered as they drove off. Somebody-no one knows who-telephoned for the patrol wagon, and Driver Jack Robinson and P. Harry Down were quickly on the spot. were promptly informed that They they had been had for come-ons, and they, too, enjoyed the joke. The concert over, the merry students dispersed.

Developments of British Elections.

Nationalists and Conservatives Both Lose a Seat in Dublin-Ladies Take Part in the Campaign.

London, Oct. 4.-In the parliamentary elections now passing, Mr. F. R. Burnham, the famous American scout who was on Lord Roberts' staff in South Africa, has been assisting the canvas of Mr. F. G. Ricarde Seaver (Conservative) in Newington, West London. Many ladies are engaged in electioneering, some of them making speeches and doing other work very success-

The Primrose League has issued an adroit circular to the effect that 33,836 more marriages occurred during four years of Conservative administration than during the previous corresponding

period of Liberal rule. The Conservatives hold Newcastle by enormously increased majorities, and Capt. Lambton, of the British cruiser Powerful, upon whom the Liberals counted to deal a crushing blow to the government, finds himself at the bottom of the poll.

NATIONALIST DEFEATED. Mr. James Lawrence Carew, Irish Nationalist, has been defeated in the College Green division of Dublin, which he represented in the last parliament, the opposition to him growing out of the fact that he attended a levee of the Duke of York. Mr. Carew's friends seized upon the opportunity of Mr. John Howard Parnell, brother of the late Charles Stewart Parnell, losing his seat at South Meath to put Mr. Carew forward without his knowledge for South Meath. Owing to a technicality he was elected without opposition. Mr. Carew may now reconsider his offer to resign South Meath in fa-

SUMMING UP. The Conservatives have captured another seat, Sunderland, from the Liberals. The results of yesterday's elections, announced up to 1:52 p.m. today, show the total number of returns to date to be 309, as follows: Ministerialists, 220; Liberals, 54; Nationalists, 36.

A LADY'S PROTEST. The Countess of Waryick has intervened in behalf of a Liberal, Mr. J. U. Stevens, who is trying to oust Sir John Stone, Conservative, from East Birmingham. Her ladyship's telegram,

which is placarded today, says: "I do not participate in party politics, but as an indignant protest against the slighting remarks of a minister of the crown on Labor representatives, and as a fellow-laborer in the great Labor cause, I ask you to convey to Counsellor Stevens my best hopes for

his success. Lady Warwick referred to the remarks made by Mr. Chamberlain at Birmingham, Sept. 29, when he attacked the Labor members of parliament, none of whom, he said, in 25 years, had initiated legislation for the

benefit of the working classes. The Conservatives suffered defeat in the St. Stephen's Green division of Dublin, the polling being as follows: J. McCann, Independent Nationalist, 3,-431; Campbell, Conservative, 2,853.

LAURIER IN QUEBEC EAST

The Premiers of the Dominion and Quebec Honored.

Quebec, Oct. 3.-Quebec East was en fete tonight in honor of its representatives in the House of Commons and Legislative Assembly, the prime ministers respectively of the Dominion and of the Province of Quebec. Nothing could have been more enthusiastic than the reception accorded Sir Wilfrid Laurier and Premier Parent by their constituents this evening, and when Sir Wilfrid declared that in the coming elections he would be again a candidate for the votes of the electors of the division, he was cheered to the echo, and it was some time before the enthusiasm sufficiently subsided to enable him to continue his speech. No hall in Quebec would hold a quarter of the multitude of people that thronged to see the greatest Canadian of his time, and the addresses were delivered from the gallery of a house overlooking the mense square behind the Jacques Cartier market hall. So crowded were all the streets through which the procession escorting the two premiers passed, and so long the procession itself and the route followed, that it was 10 o'clock before the market square was reached by the end of the procession

and the speechifying commenced. When the procession arrived at the Jacques Cartier Hall at least 12,000 spectators were present. Sir Wilfrid was accompanied by Hon. Mr. Parent and several cabinet ministers, and both premiers met with an enthusiastic reception.
