

VILLA DENIES ANY ALTERATION IN THE MILITARY POLICY

Nor Will There Ever Be Anything Between Him and Carranza to Interfere With the Work.

[Canadian Press.]
Torreón, Mexico, June 19.—Gen. Villa has issued the following statement regarding his relations with Gen. Carranza: "I have received many telegrams from different newspapers in the United States asking what is the matter between Gen. Carranza and myself. I already have said through the Associated Press that there is nothing between Gen. Carranza and myself, which has in any way altered our military policy. I now will even go further and say that there never will be any differences between Gen. Carranza and myself that will interfere with the work by the Constitutionalists."

Madness to Wrangle.
"It would be folly for any of the leaders to impede or in any way hamper the great work, now that we are almost within reach of our goal. It would be simply madness to wrangle about individual differences. We will fight the enemy of our people and his minions until we have vanquished them. After that has been achieved, you may rest assured that all Mexican patriots will do their duty shoulder to shoulder, and will work for the good of all."

At the headquarters of the division of the north it was announced today that there was no foundation for rumors that certain civil officers in Juarez placed there by Gen. Carranza had been made prisoners. It was said that by agreement they had been transferred to Chihuahua City.

Villa Off to Front.

El Paso, Texas, June 19.—Gen. Villa will leave Torreón today for the front above Zacatecas. Thus will begin the peculiar arrangement between him and Gen. Carranza, which will allow Villa full command of the zone in which he dominates and of any further territory which he can take to the south. No announcement has been made concerning the status of Gen. Natera, appointed by Gen. Carranza as head of the central zone, which Villa by his insistence has taken over.

The general plan of the campaign now is along the lines drawn up before Carranza put Natera in command of the new zone. Villa, who has taken Juarez, Ojinaga, Chihuahua City, Gomez Palacio, Torreón and San Pedro in Northern Mexico, all within the last few months, will now have a clear road to the national capital, so far as Carranza is concerned, according to the arrangement which was made after Villa had tendered his resignation.

Independent Leader.

Gen. Carranza will remain at Saltillo for the present, directing Obregon and Gonzales, but it is said on authority that Villa, as commander of the north and centre, will work out plans for his own campaigns, buy his own supplies and supervise the civil offices along his route.

WINGHAM LOSES ONE OF AGED RESIDENTS

[Special to The Advertiser.]
WINGHAM, June 18.—William Switzer, another old resident of Wingham, passed away yesterday at his son's residence in Holyrood, in the 86th year of his age. He had been in poor health for some few months. Born in Scotland, he came here when quite young with his parents, and after many years of hard work in farming he acquired a competency. His wife died about five years ago.

In religion Mr. Switzer was a Presbyterian, and in politics a staunch Liberal, being a reader of The Advertiser for many years. The body was interred in Wingham Cemetery this afternoon, and the funeral largely attended.

Some farmers here now started to cut hay and in some places it is very thin, but in other fields of clover the crop will be about the average.

The chief of police and constables are being complimented on the flowerbeds they have put in. The newly-painted town hall and the flowerbeds make a great improvement.

The steamer Greyhound on her way back from taking excursionists to Detroit lost her anchor, and was five hours late in arriving at Goderich.

Mr. Dyer, formerly of London, has now purchased the tobacco and billiard business recently owned by A. M. Crawford, who has gone into the automobile business.

TO SAVE SYLVIA'S LIFE PREMIER GIVES AUDIENCE

Asquith Agrees to Receive Suffragettes, Rather Than See Leader Starve.

[Canadian Press.]
LONDON, June 18.—Premier Asquith has capitulated to the suffragettes. He has consented to receive a deputation of East End working women in Downing street Saturday morning.

Miss Sylvia Pankhurst's attempt to carry out her threat of a hunger strike at the entrance to the House of Commons until the Premier yielded to the demands of women, was largely responsible for the Prime Minister's decision. The efforts of James Kier Hardie, the Independent Socialist member of Parliament, and George Lansbury, an ex-member, helped the militant suffragette leaders to bring him to his knees.

The victory is a distinct one, because Sylvia Pankhurst was arrested about a week ago for attempting to lead a procession of East End women to Westminster to demand the audience which Mr. Asquith has now promised.

The chief Liberal whip afterwards took pains to issue to the newspapers a statement that Mr. Asquith gave his consent to an audience several hours before Sylvia Pankhurst paid her visit to the palace yard. The statement added that she had not been forcibly fed during her last incarceration, because she was too weak. The Premier apparently acted to save her from death by starvation.

The police raided the houses of three militants this afternoon in a search for incriminating papers, but found nothing.

NEW YORK REPAIRED IS SAILING ON SCHEDULE

Damaged Liner So Well Mended That Wound is Hardly Visible.

[Canadian Press.]
New York, June 19.—Repairs on the American liner New York, where she was struck last Saturday morning by the Pretoria, were completed last night, and it was announced that she would sail today on schedule time. So well did the repairsmen do their work that it is difficult to see where the hole had been made by the Pretoria. The interior of the ship also underwent a change while the repairs were being made outside. The second cabin was converted into a dance hall, and a series of balls has been arranged for the entertainment of the cabin passengers.

MISSING WIARTON MAN'S BODY FOUND IN THE LAKE

Mystery Surrounds Death of J. A. Hodgins, Lately From Montana.

[Special to The Advertiser.]
WIARTON, June 18.—Mystery surrounds the death of John W. Hodgins, aged 80, whose body was found this afternoon floating on the west side of the bay.

Hodgins arrived here from Montana three weeks ago after an absence of fifty years. He found a few former friends among the oldest residents of the town, and after renewing acquaintance with them, started for Oxenden, three miles away, to try to look up some others.

He was seen about a mile and a half out of town and then disappeared completely, and all efforts to locate him failed until afternoon, when Ed. Rice, who was beachcombing in the tug Runabout, noticed the body in the water.

It was in a good state of preservation and bore no marks of violence. Hodgins' watch and his money were in his pockets.

An inquest has been ordered by Coroner Dr. Fisher.

DISASTER VICTIMS TO BE BURIED AT ONCE

Condition Demands Promptness—Triple Funeral Held Yesterday

[Canadian Press.]
Quebec, June 19.—It was stated yesterday by Coroner Jolicoeur that the forty or more unidentified bodies still remaining at Lepine's morgue here from the Empress of Ireland must be buried without delay, since their condition was becoming such as to demand prompt interment. It is likely that they will be buried within a day or two.

A triple funeral was held yesterday afternoon, when the bodies of Miss Swindell, of England; F. W. Howes, of Birmingham, and the body of the unknown woman recently found at Grand Machine, were interred.

The body of the woman was badly decomposed. The whole face had been eaten away by fish, and the condition of the body was such that no attempt at embalming could be thought of, and it had to be hastily closed in a casket and buried without delay.

[Canadian Press.]
Winnipeg, June 19.—Meldrum Means, K.C., member in the last Legislature, and Harry Whitt, K.C., were nominated last night to contest South Winnipeg in the forthcoming election in the Conservative interest.

The Liberal organization is protesting about one thousand names registered this week, and the Conservatives are also protesting large numbers.

TREMENDOUS BLAST

[Canadian Press.]
Allentown, Pa., June 19.—Allentown was shaken last night by the greatest blast that was ever set off in the slate region, when thirty thousand sticks of dynamite, buried 105 feet deep in 23 holes, loosened at least 150,000 tons of rock. The blast was a test of a new instantaneous fuse with a speed of Lord Mersey said he was pleased Mr.

[Special to The Advertiser.]
Toronto, Ont., June 19.—"This is a two-million dollar rain," remarked an observatory official this morning, in discussing weather.

Welcome showers fell this morning in all parts of old Ontario. From Windsor to Kingston, Niagara Falls to Muskoka, came reports of beautiful rains delighting farmers and gardeners and all interested in them.

"Prospects are for cool weather after today's showers," said weather men, then a general warning up.
