NORTHERN LEAGUE MAKES CONCESSIONS TO SOLDIERS

Several Clauses Granting Special Privileges to Men in Khaki
Passed at Annual Meeting in Palmerston Yesterday
—Officers Elected—Prospects Discussed.

PALMERSTON, Dec. 7.—The annual meeting of the Northern Hockey League was held in Palmerston today with a good representative attendance. Dr. Coleman, president, presiding.

The treasurer's statement showed that the league was in a good financial condition, there being a surplus of \$228.68. The officers for the league elected for 1915-16 are:

Past president—Dr. Coleman, Palmerston; honorary president, W. J. Blackburn, London; president, W. L. Morrison, Owen Sound. Executive committee—R. A. Currie, Wingham; B. Whitmore, Harrison; J. G. Burt, Listowel; W. H. Rhodes, London (appointed by the president).

The following clauses dealing with soldier hockey players were passed:

1. A soldier may play with his home town team.
2. He may play with the soldiers' team in the town in which he is stationed.
3. He may play with the town team in the town in which he is stationed provided there is no soldiers' team in said town.

4. If he is transferred by the military authorities from one military centre to another, the Northern Hockey League will grant a transfer, allowing such player the same privileges as he enjoyed in the centre from which he was transferred. No transfer after January 20, 1916.

5. That players working in munitions factories be granted the same privileges as are granted to soldiers, said players to be residents by December 1, 1915.

The executive was authorized to arrange games during the season to help patriotic purposes.

The grouping of the different clubs was left over until a later meeting which will be held on December 17 at Listowel in all probability. While many teams have been entered for the present season, there are still many to hear from, and these will be given until the 17th to get in their applications. The groups will be arranged on this date and the schedules will be drawn up by the conveners of the different groups.

NEW YORK BIKE TEAMS STILL AHEAD OF RECORD

[Canadian Press.]

New York, Dec. 8.—Sixteen teams were still in the six-day race at 8 o'clock this morning. Kopsky and Wohlrab having been declared out at 4:30 a. m. on account of Kopsky's illness. Wohlrab had until 8:30 a. m. to get a partner.

The thirteen leaders had covered 1,172 miles and five laps at 8 o'clock, bettering the record of 1,159 miles and five laps made by Anderson and Dupuy in Chicago by fourteen miles.

The three teams that trailed were Sullivan and Suter-Madonna, one lap; Rudi-Russe and Vanderstuyft, four laps behind.

Wohlrab was unable to find a partner in the allotted time, and the team was declared out.

At noon the thirteen leaders had pedalled 1,249 miles, one lap, twenty miles ahead of the record. The Sullivan-Anderson and Suter-Madonna combinations were tied with 1,249 miles flat, and Rudi-Russe and Vanderstuyft still trailed with 1,248 miles eight laps.

The club will complete the arrangements for an early beginning.

AMERICAN TEAMS WIN OPENING GAME

Portland Defeated Vancouver and Seattle Trimmed Victorias in Pacific Coast League.

[Canadian Press.]

Vancouver, Dec. 8.—The western professional hockey season was ushered in last night, when the opening match was played by Portland and Vancouver. The teams lined up with few changes from a year ago, and men who were given big offers to play for clubs in the National Hockey Association were found in their old places. Harris and Oatman, who were asked to play for the Toronto and Canadiens, played with the Portland team, and will finish out the season here. The match was won by Portland, by a score of 2 to 0. In the opening period Portland scored two goals. The line-up was:

Portland: Goal, Murray; Seaborn, Point; Irvine; Griffin, Covenpoint; Johnson; Taylor, Rover; Oatman; Mackay, Centre; Dundee; Cook, Left wing; Harris, Stanley, Right wing; Town.

Referee—T. Phillips.

FORMER TORONTO SHOW CLASS AGAINST THE VICS

Seattle, Dec. 8.—Professional hockey was inaugurated here last night, when the first match was played at the new arena between the local club and the Victorias. The game promises to become popular here. The local team is practically made up of players taken from the National Hockey Association. With two exceptions the whole Toronto team figured in a local uniform. The game was won by Seattle by a score of 3 to 2.

In the opening period Seattle scored the only goal, while in the next session each team scored two. The third period was a scoreless one. The line-up:

Seattle: Goal, McCulloch; Hooten, Point; Genge; Rowe, Cover; Patrl; K; Fogston, Rover; Mallin; Morris, Centre; O'Leary; Wilson, Right wing; McDonald; Walker, Left wing; Kerr.

Referee—Fred Irons.

WINNIPEG'S PATRIOTIC LEAGUE HAS SIX TEAMS

WESTERN ONTARIO BOWLERS TO HELP PATRIOTIC FUND

Special Appeal Being Made by W. O. B. A. to Bowlers in This Section of the Province.

Secretary John Macpherson, of the W. O. B. A., has sent out an appeal to the bowlers of Western Ontario to aid in the patriotic fund now being contributed to by bowlers all over Canada. In Toronto alone some \$15,000 has already been subscribed by the bowlers of that city, and it is expected that double this amount will be raised by Christmas. In the other cities and towns of Ontario all the bowlers are being asked to help, and the W. O. B. A. is making a special appeal to the bowlers of this section of the province, as follows:

To the Bowlers of Western Ontario: The recently organized Dominion of Canada Lawn Bowling Association has asked the Western Ontario Bowling Association, the Ontario Bowling Association, and the Eastern Ontario Bowling Association to help in the creation of a distinctly bowlers' patriotic fund to be devoted to the work of the militia department of the Y. M. C. A. at the front. The following communication has been sent to the provincial associations:

It has been felt for a long time that it was incumbent on the lawn bowling fraternity to take a more distinctive part in some of the various patriotic movements which have been launched in Canada, for the purpose of assisting the men who are fighting our battles at the front.

The Dominion Lawn Bowling Association is bringing the matter formally before the provincial associations, and it is hoped that the movement may be truly national in character and to every way worthy of the devotion of this historic and fascinating game.

It is cheerfully recognized that lawn bowlers, in common with other sections of the community, have already contributed as generously as any other class to the various funds which appeal in common to every patriotic citizen, but it must also be frankly recognized that we are not through contributing, and that the least we can do—who have not yet done the least—is to support to the limit of our resources those who have sacrificed not only their prospects, but in many cases their lives as well.

We who have enjoyed our sports this summer—our pleasure marred only by the ever-recurring thought that some close friends and near relatives, who while we were playing were sweating blood "somewhere in France"—should be particularly responsive to an appeal which is largely for the benefit of raising funds in order that these men—our representatives at the front—may be given the best possible comforts as possible under the circumstances.

The work of the militia department of the Y. M. C. A. appeals to bowlers, because in the first place it is a distinctive object to support; secondly, this department has all the machinery for carrying on the campaign work, and is doing the expense of doing so out of the general funds of the Y. M. C. A., so that every dollar collected by the bowlers will go directly where it is intended, without any expense; and, thirdly, the work of that department has provided those that are well with entertainment, games, sports, and men with packs are sent right to the trenches to give the men proper chewing gum, pipes, tobacco, buttons, etc. of charge, and many other necessities that it would be impossible for them to get otherwise.

The Dominion of Canada Lawn Bowling Association has therefore asked the provincial associations to co-operate in supporting the work of the militia department of the Y. M. C. A. The attention of bowlers is called to the circular, "Canadian Bowlers and the War," for further particulars of the work being done by that department.

The Perry-Scope

YOU MIGHT NOT BE INTERESTED IN THIS, BUT STILL, THINK HOW IT HELPS US TO FILL UP THIS SPACE.

A stranger staggered down the road. Thought, "The man is drunk; That poor nut has an awful load To carry on his back. I'll bet he's feeling punk."

But when he zig-zagged up to me, He stopped and said, "Hello!" Don't think that I am on a spree, That six-day ride I went to see Has made me dizzy, too.

I watched those riders ride around, And round and round they flew, And when I came away I found I couldn't navigate the ground, My dome was whirling, too.

If the hockey associations have their way, about all the shooting our boys in khaki will get this winter will be shooting the puck.

Our idea of nothing to be interested in is the records that some of these six-day bicycle riders are supposed to be breaking.

The rugby season has ended, but the chances are the squirrels have got all their winter food laid in, anyway.

In an account of a boxing match we read that the spectators filed out. Yes, that's the way many a yegg has departed from his prison home, too.

NEVER SUFFERED FROM THAT.

Of all the wrinkles that adorn My deeply-furrowed face, I never had one put there by A six-day bike race.

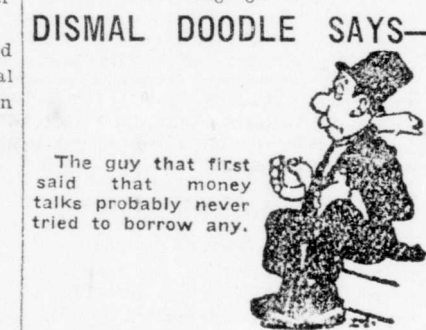

We read in all the leading papers that Ty Cobb is again champion batsman of the American League. Pretty soon they will be printing the following "news":

Napoleon was defeated at the battle of Waterloo. James J. Corbett defeated John L. Sullivan.

Wolfe handed Montcalm a knock-out on the Plains of Abraham. King George V. is king of England. Columbus discovered America.

Somebody is always taking the joy out of life. The weatherman has just announced that a big gale is on the way.

Considering that this big gale is coming from the west, we suspect that it is another batch of correspondence from the Pacific Coast League concerning the hockey war.

Georges Carpenter, the noted French pugilist, has been given the military cross. The military cross is no relation to the double cross which is handed out to a good many of our best little fighters.

Youngest Driver on Grand Circuit Is Only Eighteen

George Fulmer of Fort Thomas, Ky., Will Drive Wealthy Toledo Owner's Horses on Big Tracks Next Season.

George M. Fulmer, 18, Fort Thomas, Ky., probably is the youngest trainer and driver on the grand circuit. He learned to drive harness horses over his father's track near Fort Thomas at the age of 15. He was given his first opportunity to drive over the big circuit last year, after having shown extraordinary ability at the half-mile tracks the year previous. He finished third with his father's horse, Wise Girl, in a trot at Detroit. The race had a close finish, and Fulmer was forced to a hard drive through the stretch, but defeated a number of veterans. At Syracuse he finished second.

William Turnbull, and William J. Ashplant (representing the London Bowling and Rowing Club), R. D. McDonald (from the Thistle Club), Frank Silcox and A. M. Hunt (from the Elmwood Bowling Club), Dr. W. J. Robinson (from the Asylum Bowling Club), and John Macpherson (honorary secretary) were present.

The bowlers of Toronto—estimated to number 5,000—aim at raising \$15,000 among themselves.

The bowlers in the west aim at raising \$5,000, and if every bowler in Western Ontario will subscribe \$1, that sum should be attained. It is certain that there will be individual subscriptions of a greater amount, but \$1 a member is the subscription asked. It is better that 5,000 bowlers should subscribe \$5,000 than that the same sum should be subscribed by a less number.

The Huron and Erie Mortgage Corporation of this city has generously consented to receive the subscriptions and transmit them along the proper channel without charge. Mr. Hume Cronyn, manager of that institution, will be treasurer of the Western Ontario Bowlers' Fund. We ask that remittances be made to him, and if possible, before the 20th inst.

We urge upon all presidents and secretaries of bowling clubs throughout Western Ontario that they actively work to further this object, bearing in mind that he gives twice who gives quickly.

James Smiley, President W. O. B. A.

PARIS SOLDIER HOME, MUST HAVE OPERATION

[Special to The Advertiser.]

PARIS, Dec. 7.—Pte. Napoleon Larin was given a great reception yesterday afternoon when he stepped off the 5:43 train from London. Mayor Patterson and several prominent citizens were on the platform to greet him. After greetings were over, a procession was formed, and headed by the Paris men of the 12th Brant Battalion, he was escorted through the principal streets to his home. Pte. Larin is looking quite well after his experiences, but after a short rest will have to undergo another operation on his right jaw, which was partly blown away by a German bullet.

An endeavor will be made to have the body of Pte. Larin, who died as the result of wounds received in Langemark, brought home for burial.

Bg International Maich, Britain Versus Germany

One Football Expert's Forecast of a Great Struggle.

TEAMS.

Britain—Kitchener, goal; French and Chetwode, backs; Smith-Dorrien, Haig and Macready, half-backs; Grenfell, Daniels, the Prince of Wales, Dwyer and O'Leary, forwards.

Germany—William the Kaiser, goal, the Crown Prince and Count Zeppelin, backs; Von Hindenburg, Bernhardi and Clauswitz, half-backs; Joachim, Adalbert, Von Kluck, D'Amade and Von Emmich, forwards.

Referee—Uncle Sam (neutral).

This match was the attraction of the century, since the two teams had not met for time immemorial. Britain brought with them 1. France over a million supporters of the game, and were, without doubt, a team to be proud of. Their second eleven was engaged with Turkey.

There was considerable delay at the outset, the Crown Prince having been busily engaged in jostling the dressing-room.

Von Kluck kicked off, and for a time Germany rather unexpectedly held her own, scoring a doubtful goal after great efforts to wear down the opposition (Mons). Britain rallied, and some fine work by the forward line brought about the equalizer (Marne).

Germany blundered badly when within shooting range (Calais), and Kitchener was responsible for saving many a dangerous situation. After a time, Britain easily demonstrated her superiority, and Grenfell, Daniels and O'Leary each scored. The interval arrived with the score:

Britain, 4.
Germany, 1.

Play became very rough on the resumption, and many defenceless women and children on the touch-line were crushed to death during the wild scrimmages of the opposition to get the ball. Zeppelin, at left-back, kicked wildly, and considerably damaged many churches and cathedrals.

At length, after a desperate hand-to-hand struggle, Britain succeeded in capturing another goal (Neuve Chapelle). From this time onwards they completely overwhelmed their opponents, Germany being utterly staggered. "We shall 'Loos' papa, I fear!" snivelled the Crown Prince. And he was right! Goals came in astonishing number and variety, thanks to the whole-hearted support of the Allies, and the whistle went with Germany thoroughly crushed and subdued.

Final score:

Britain, 12.
Germany, 1. (Off-side).

A great feature of the struggle was the splendid all-round play of the visitors, who received a tremendous ovation. Unfortunately the German custodian disappeared with the gate money shortly before the conclusion of the match.
