Don't fail to get a 60-cent box of Stuart's Calcium Wafers today at any drug store.—Adv.

Cocoon Oil Makes a Splendid Shampoo

If you want to keep your hair in good condition, be careful what you wash it with. Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain Mulford coconut oil shampoo (which is pure and entirely greaseless) is much better than anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls of Mulford will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky. You can get Mulford coconut oil shampoo at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months. Be sure you get Mulford. Beware of imitations. Look for the name Watkins on the package.—Adv.

TRY MAGNESIA FOR STOMACH TROUBLE

Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion.

Doubtless if you are a sufferer from indigestion, you have already tried pepsin, pancreatin, charcoal, drugs and various digestive aids, and you know these things will not cure your trouble. In some cases do not even give relief. But before giving up hope and deciding you are a chronic dyspeptic, try the effect of a little Bismarck Magnesia—not the ordinary commercial carbonate, citrate or milk, but the Bismarck Magnesia, which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat. You will find that provided you take a little Bismarck Magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow. Moreover, the continued use of the Bismarck Magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.—Adv.

GIRLS! GROW THICK

LONG, HEAVY HAIR

WITH "DANDERINE"

Buy a 25-cent bottle of "Danderine." One application ends all dandruff, stops itching, and falling hair, and, in a few moments, you have doubled the beauty of your hair. It will appear a mass of soft, lustrous, and easy to do up. But what will please you most will be, after a few weeks' use, when you see new hair—fine and downy at first—yet—really new hair growing all over the scalp. "Danderine" is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. This delightful, stimulating tonic helps thin, lifeless, faded hair to grow long, thick, heavy and luxuriant.—Adv.

RED PIMPLES ITCHED TERRIBLY

On Chest, Face, Arms, Burned Badly. Cuticura Heals.

"Ever since I can remember, my chest, face, and arms were filled with dry, red pimples. They were scattered all over me, and itched terribly at times, and I scratched them, causing them to fester and get sore. Sometimes they would dry away and form scales which burned badly. "Then I used Cuticura Soap and Ointment. I had used them two or three times when I felt better and I was healed with one box of Cuticura Ointment together with the Cuticura Soap." (Signed) Miss Bertha Kase, Russell, Manitoba, February 19, 1919. Use Cuticura Soap and Ointment for all toilet purposes. Soap to cleanse, Ointment to heal. See 25c Ointment 25c and 50c. Sold throughout the Dominion. Canadian Agent: The London Advertiser, Ltd., 25 St. Paul St., Montreal. 100% Cuticura Soap without wax.

NICKLE WINS BY 517 MAJORITY IN BY-ELECTION

Conservative Candidate Victorious Over R. F. Elliott, Who Got 4,485 Votes.

TRAGEDY MARS ELECTION

Kingston Man and Wife Killed in Taxi Crash in Late Rush To Polls.

KINGSTON, Ont., Feb. 6.—W. F. Nickle, K.C., Conservative, was elected in today's provincial by-election over R. F. Elliott, Liberal, by a majority of 517 votes.

The final figures were: Nickle, 5,002; Elliott, 4,485. This makes 9,487 votes polled out of a possible vote of about 15,000. In the Dominion election two months ago the total vote was 11,914. The fact that the weather today was very disagreeable undoubtedly had something to do with the reduced vote.

The only addresses that Mr. Nickle delivered were to the invalid soldiers, pointing out that in 1917 he stood for conscription in order that they might have reinforcements, and reminding them that at that time Mr. Elliott was an anti-conscriptionist.

Mr. Nickle was elected to the Ontario House in 1908, resigning in 1911, when he ran for the Dominion House, being elected then, and also in 1917.

Tragedy Mars Election. The election was marred by a tragedy. A few minutes before 6 o'clock, Mr. Stewart Patterson, a taxi driver, was rushing to the polls Mr. and Mrs. Derwan Love, Clarence street, who were accompanied by their daughter, Beta, aged 11.

Something apparently went wrong with the steering gear of the car at the corner of Barrie street and Eglar road, and the car crashed into a tree with such terrific force that the skulls of Mr. and Mrs. Love were fractured. Mrs. Love died in the Hotel Dieu a few minutes after the accident occurred, while Mr. Love died in the General Hospital at 7:45.

The condition of the daughter, who is an only child, is reported as fair. The extent of her injuries has not been definitely ascertained. Mr. Patterson escaped with a severe shaking-up, and was able to leave the hospital this evening. Coroner Mundell has ordered an inquest for tomorrow night.

GANDHI FORCES RENEW RIOTING

Slay 17 Police Officials Over Week-End When Amnesty Refused.

LONDON, Feb. 6.—Renewed rioting in several parts of India, involving the killing of at least seventeen police officials and four members of the attacking parties, in addition to the wounding of a number of persons and some destruction of property, occurred over the week-end simultaneously with the issuance of a declaration by the non-co-operationist leader, Gandhi, that civil disobedience would become effective unless the government granted amnesty.

On Saturday police officers at Chauri, on the Bengal Northwestern Railway, were stoned by Indian Nationalist volunteers. The mob of 2,000 killed the entire staff and a watchman and eight armed policemen who were rushed to the scene to give aid to the staff.

Then the Nationalists burned the offices and stripped the bodies of those killed and burned them. On the same day rioting took place at Bareilly, in the middle United Province, where several attempts were made by a large crowd of volunteers to seize the town hall.

Insufficient police forces charged them without success, and then were ordered to fire. The mob eventually was put to rout after two persons had been killed and five other wounded, among them the district magistrate and the superintendent of police.

MRS. MURRAY DIES AT HOME IN WEST ZORRA

[Special To London Advertiser.] Embro, Feb. 6.—Mrs. Hugh Murray, 70 years of age, died at her home on the 7th line of West Zorra township this morning, after being ill for several weeks.

She is survived by one daughter, Mrs. Taylor of Detroit; and three sons, Robert, John and Gustavus at home, and George, in Windsor. Church, Embro, and the funeral services Tuesday afternoon at two o'clock will be conducted by her pastor, Rev. W. P. Lane. Interment will be at the North Embro Cemetery.

Mother Love Brings Woman of 80 To Court To Bail Grey-Haired Son

TORONTO, Feb. 6.—Mother love personified, she tottered into Magistrate Jones' court this morning, a woman of 80 winters. An almost reverent silence prevailed the room as she watched the every move of the court, and waited for the clerk to call the name of her "erring boy." At last the moment that she had dreaded since she first was told of the arrest came.

Her boy—he could hardly be called such, for his hair was iron grey—stood up. A remand of one week was ordered. Would her boy have to spend seven days behind the bars? she asked. Could she not do something for him? Yes, if she would pay \$500 the magistrate would allow her to take her son away until the trial, an official told her.

From her satchel she drew several crumpled bills, and, although emotion prevented her from speaking, she walked proudly to the police court clerk's desk and presented her boy's ransom. Then, arm in arm, mother and son departed, their going interrupted only by a gentle-spoken warning to be present within a week, when the son must stand trial on a charge of violating the Ontario temperance act.

Drunk Calls Police and Goes Free Because He Could Do So

Kitchener Firm Gives Away Soup Meat To All Who Produce Order Signed by Their Clergyman.

KITCHENER, Feb. 6.—Magistrate Weir was greatly amused in police court this morning when a man brought before him on a charge of drunkenness admitted that he had phoned for the police. It appears, from the evidence given by the officer who arrested the man, that a phone call was received from a local drug store last evening asking that a policeman be sent down. A constable was dispatched to the store, and on arriving there found only one man in the place, who corresponded to the drunk whose arrest was requested over the phone. The man was arrested, and in police court this morning admitted he phoned for the police. Magistrate Weir decided that since the man was sober enough to phone the police he did not come within the provisions of the O. T. A., and he was accordingly dismissed.

Thirty unemployed were put to work today cutting down trees and at sewer work and 35 will be put to work tomorrow, according to a statement given here by City Engineer Shupe in connection with the unemployment situation. The work will be done in shifts, thus giving work to 70 men. There are at present 65 men on the job now, and the new additions will bring the city payroll up to 130 men. This covers all the applications that have been received for municipal work so far. As a contribution to local relief work a local meat concern is giving away soup meat to all persons who can show an order from their clergyman. A local rubber concern is furnishing free rubbers to the children of all families at present in distress.

Miss Mathews, the matron of the Freeport Sanatorium, near here, has tendered her resignation, to take effect next month. She has been in charge of the nursing at the institution for more than a year. The nomination for the school board trustee in the center ward will be held tomorrow evening, with the election on Feb. 13. This was made necessary when it was discovered that A. A. Augustine, elected in January, did not have citizenship qualifications.

BRITISH GENERAL SHOT AT IN CORK

CORK, Feb. 6.—When General Higginson, British commander of the Cork district, was returning here this evening, after superintending the embarkation of the British troops at Queenstown, his automobile was attacked by armed men. General Higginson and his fellow-officers repulsed their assailants and gave pursuit. The driver of the automobile was shot, but not seriously wounded. Another man was found on the ground wounded, but it is believed he was accidentally shot between the rival fires.

CUT TAX RATE AT ST. THOMAS TO 31.10 MILLS

Finance Committee Reduces Estimates of Various Bodies Nearly Three Mills.

TO START RAVINE DRIVE

Aldermen Believe Buses Will Help Wipe Out Street Car Deficit.

[Special to London Advertiser.] ST. THOMAS, Feb. 6.—The tax rate for the city for the year 1922 will be 31.10 mills, a reduction of 2.90 mills over last year's rate of 34 mills.

This was decided at a meeting of the finance committee of the city council Monday night when the estimates of each committee were carefully considered.

According to City Treasurer S. O. Perry, the rate struck is one of favor to the proposed expenditures of the year and in addition provides for a balance of \$6,000 to cover unforeseen demands. A portion of the balance, it is expected, will be required by the provincial government in payment for its share of lines collected in this city which are now long overdue.

A rate of 31.10, it is estimated, will raise a total of \$478,639 by direct taxation. The fixed receipts added to this will bring the total amount of money to be raised in the city during the year to \$681,275.25.

By an unanimous vote of the committee it was decided that no committee of the council would be allowed to exceed its estimates without the sanction of the finance committee on a two-third vote.

Reduced by \$700. Careful examination of all committee accounts reduced the amount of the estimates for the year \$700 only. This was pared chiefly from the estimates providing for various grants.

In the original estimates as read by the city treasurer \$3,000 was set aside for this work. The amount was questioned by Ald. Meehan, who favored that the grants for the year should total \$250. He was told that the \$3,000 was meant to provide for any call unforeseen now but which might be made during the year.

The estimates were finally reduced from \$3,000 to \$1,900. The committee decided after a great deal of discussion to make the usual grant of \$1,000 to the St. Thomas Horticultural Society, \$500 to the Poultry Association, while \$500 was set aside for the purchase of music, no bands being specified.

Ald. Boehmer questioned the advisability of making a grant to the Horticultural Society, claiming that it was nothing but a commercial institution at the present time. Besides, he claimed that a garden society was being formed in the city, and that it, too, would likely ask for a grant. Ald. Boehmer asked how many knew

that the president received \$2,400 a year as a salary.

Ald. Meehan came out strongly in favor of the Horticultural Society, claiming that it did much good for the city.

Ald. Meehan opposed setting aside \$250 for the keep of the bears at the park on the ground that the city voted against keeping them, but his objections were swept aside by the vote of the committee.

Allow \$800 for Drive.

It was decided that work should be started on the proposed Ravine drive, and a total of \$800 was allowed for a start. The money will be used for providing a sewage disposal from Hiawatha street and an entrance to Athletic Park.

The committee was strongly in favor of taking some drastic step to eliminate the yearly deficit on the street railway. It was estimated that the road cost the city a total of \$50,000 in 1921. It was decided, however, to cut \$4,000 from the estimates, which had been added for the purchase of a motor bus, and to allow the \$15,000

to cover the expenses of the road for a few months to stand. The buses will be used as an experiment, and if they prove successful the people would be allowed to decide.

Ald. Middleton, chairman of the street railway committee, believed that buses would allow the road to break even for some time at least. Several cars would be released from service, so that proper repairs could be made, he said.

Debtors totalling \$15,000 will be issued, at the request of the hydro commission of this city. This amount, it was stated, will be necessary to purchase new equipment.

The appropriations for the different departments were as follows: Police department, \$19,126; garbage department, \$12,455 (decrease \$1,000); fire department, \$18,646 (decrease \$1,200); street lighting, \$14,300; charity, \$9,000 (decrease \$2,000); city hall, \$8,832; parks salaries, \$1,500; total for No. 4 committee, \$132,000 (decrease \$2,500), and the board of health, \$5,326.
