Brussels Protests. Application for entry has been made by a team known as the Guelph City team. It was recommended by the committee that all entries be received with the exception of Guelph provided they are in good standing with the W. F. A. The exception is made pending information as to whether Guelph is now or will be during 1924 affiliated with the W. F. A. Mr. Lee, delegate from Guelph, said the team would be able to satis-factorily qualify despite the exist-ence of a Guelph and district association, and although the applicants were affliated with the Guelph Foot-ball Association. Galt, April 18.—While Sunday is the date set for the annual spring fash-ion parade, that for baseball togs, in district at least, will not be staged until May 10, and then the champion Terriers will introduce something new in uniforms for Ontario, in a black and white combina-tion which is practically a duplicate of the old Chicago White Sox outfits. The Terriers' new uniforms are real nifty. Of the deepest of black, they have trimmings of white piping, with boys are greatly pleased with the Luis Angel himself.

While it was planned to hold the first outdoor workout today weather conditions interfered. The team is continuing its indoor workouts, however, and it became known today that two of the boys were the vic-tims of sneak thieves at the armory last night. While they were going through their stunts in the drill hail, the thief entered the dressing room \$2.30. and relieved "Snowball" Burgess of \$6 and Norman Kinsman of \$1. The police are working on the case.
