## TWO KILLED IN ACCIDENT WHEN AUTO DROPS WHEEL

Canadian Press Despatch.  
Montreal, Aug. 21.—Laurette Gauthier, 22, was instantly killed and H. Filiatrault suffered injuries which later caused his death, when the wheel of an automobile in which they were passengers fell off and the car turned turtle here tonight. Yvonne Gilbert was slightly injured, while the driver of the car escaped without injury.

## MACKINAC DEATHS REACH 46; MORE IN CRITICAL CONDITION

Attending Physicians Claim Many Now Beyond Medical Skill.

**SUFFER FROM BURNS**

Associated Press Despatch.  
Newport, R.I., Aug. 21.—The death of Edward Donovan of Pawtucket at 8:15 tonight brought the total dead in the S.S. Mackinac excursion explosion of Tuesday evening to 46. The death of three others today was recorded, and as the hours pass it is expected that others will be added to the toll. The 45th victim to succumb to his frightful burns was Peter Borsay of Pawtucket. He died early tonight. The other deaths today were Beesie Mullin and William Robinson, also of Pawtucket. Both the naval and Newport hospitals report a number of critical cases, and physicians frankly said there are several who are beyond medical skill, so horribly were they scalded when the boiler on the excursion steamer exploded as she steamed through Narragansett Bay on the return trip to Pawtucket with almost 700 excursionists on board.

## Cut In Oil Price May Reduce Gas

Special to The Advertiser.  
Sarnia, Aug. 21.—A probable indication of lowered price of gasoline in Ontario was given this afternoon here, when Imperial Oil, Limited, announced a 10c reduction in the price of crude oil. This brings the price from \$2.73 to \$2.63 a barrel. It is the first change reported in the price of crude oil for several months, when it went up to \$2.73 by successive advances. The price of gasoline in the U. S. has fallen several times in the last few days, and today's reduction of crude oil at the refinery here may presage a downward move in the refined product.

## HAMILTON RECTOR HITS HIGH CHURCH

Urges "Return To Bible" and Criticizes Anglican Priests.

Canadian Press Despatch.  
Hamilton, Ont., Aug. 21.—Loosing another bitter shaft against those in the Church of England who display Anglo-Catholic tendencies, Rev. H. A. Powell, acting rector of St. Mark's church, today issued a statement urging "back to the Bible" as the slogan of those who are with him in his battle against ritualistic services. St. Mark's has been the scene of a sharp controversy for the last two weeks, following the theft of two crosses from the church and Mr. Powell's subsequent remark that he disapproved of the use of the cross in the procession. In his statement today, Mr. Powell attacked "these modern unequal mimics of the priests, so appallingly ignorant of the Bible, and so unable to justify their official ministry otherwise, that they dress up as priests and make the oft-repeated sacrifice of what they even come to call the mass—their specialty." He called the mass "a challenge to any man in this district to justify the claim that there is an altar in the Church of England."

## CHINESE SAILORS HELD FOR MUTINY AT SEA

Associated Press Despatch.  
Vancouver, B.C., Aug. 21.—Sixteen Chinese sailors on the steamer City of Victoria, docked here, are in custody following their refusal to obey the orders of Captain T. P. Blair. Their only explanation is that they had received instructions from Shanghai to stop work, but they refused to say who is giving them the orders to strike.
