The Value of Bon Ton and Royal Worcester Corsets Fully Demonstrated by Miss Frances Hope Gale

BON TON, ROYAL WORCESTER AND ADJUSTO CORSETS

These three trade marks are significant in that they stand for the HIGHEST STANDARD of style, fit, quality, up-to-dateness—all that is best in corsets which have enjoyed an international reputation for fifty years.

Next to perfect fit, the boning is the most important factor of any corset.

Bon Ton Corsets are boned with a wonderful substance called "Walohn," which is unmistakably the best boning known. Non-odorless, resiliency and flexibility are some of the features which commend "Walohn" as the IDEAL CORSET LINING. It is guaranteed not to rust, break, warp, pull, split or crack. Heat, moisture or acids will not affect it.

Anyone can afford to buy and wear the Royal Worcester. Unmistakably the Royal Worcester is the greatest corset value at a medium price. This has been so for nearly fifty years. Every Royal Worcester Corset is an original conception, designed upon correct lines and fashioned from the best materials with painstaking care by skilled work people. Save on other garments, but buy a good, sensible, stylish corset.

At present these superb Corsets are being demonstrated by Miss Francis Hope Gale, who is an expert corsetiere, and who will convince you of the intrinsic value of wearing the above renowned brands. Miss Gale will be pleased to give fittings daily from 10 o'clock to 5 o'clock. The prices of the Bon Ton and Royal Worcester Corsets range from \$1.75 to **\$9.00**
