AYER'S

CHERRY PECTORAL,

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

We invite the attention of the public to the Certificates appended below, and bespeak for them that candid consideration which their honest rankness deserves. Jackson City, O., 29th Nov. '52. Dr. J. C. AYER—Sir: The Cherry Pectoral is much inquired after. Several of our best Physicians have used it, three of them in their own cases, and always with the happiest effects. The numerous patent medicines always before them, lead to credulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that any thing like a general confidence can be excited.

The unrivalled excellence of this combination of agents (in the Cherry Pectoral,) proved beyond cavil by repeated trial and their own observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for Pulmonary Affections of this climate, at the same time sedative and expectorant—a rare combination of properties. In the hope that it will prove its own reward, I subscribe myself, Jas. H. C. MILLEN, M. D. Allegan Mich. 19th Jan. 1853.

Dear Sir,—No one, no, not one—man, woman or child—can be found to deny that the Cherry Pectoral is all that it claims to be. There is much used in this vicinity, although not known until recently. The community should know its virtues. JOHN R. KELLOGG, M. D. Agents—Odell & Turner, St. Andrews; A. H. Thompson, St. Stephen.
