A STRANGE EXPERIENCE.

AN INTERVIEW WITH A WELL KNOWN BRANT COUNTY LADY.

Suffered for Two Years With Sick Headache. Dizziness and Dyspepsia—How She Found Relief—What Well-Known Chemists Say.
From the Brantford Expositor.

Mrs. S. W. Avery lives on Pleasant Ridge, about four miles out of the city of Brantford, that being her nearest post office and where all her trading is done, Mr. and Mrs. Avery have always lived in that neighborhood, and he is the owner of two splendid farms, the one where he lives consisting of 160 acres the other lying near Brantford comprising 100 acres. They are highly respected residents of the community in which they reside, and every person for miles around knows them. Having heard that Mrs. Avery had been cured of chronic dyspepsia and indigestion, by the use of Pink Pills, a reporter called there recently and asked if she was willing to make public the facts concerning the cure. Mrs. Avery replied that she had benefitted by the use of Pink Pills, and was perfectly willing to give her experience for the benefit of those who might be similarly suffering. "For the past two years," said Mrs. Avery, "I had been greatly troubled with a very "I had been greatly troubl "I had been greatly troubled with a very sick headache, dizziness, and a cough which I believe were the symptoms of dyspepsia Blood Bitters, took two bottles and my headand indigestion, and I could find nothing to relieve me although I tried several different several dif

Mrs. Avery's statement was corroborated by her husband, who was present during the interview, and who said that without a shadow of a doubt Pink Pills had accomplished more for his wife than any other medicine which she had taken. Messrs. McGregor & Merrill were inter-

viewed, and in reply to a query as to the sale of these pills, Mr. McGregor said: "We have sold in the neighborhood of 5,000 boxes during the past twelve months and there is no remedy we handle gives better satisfacrion to our customers than Dr. Williams'

Head it "Twilight!" Mr. Merrill, the other member of this wellknown firm, said: "I have more pleasure in selling Pink Pills than any other medicine we handle, because it is rarely there is any disappointment in them, and the people themselves as well satisfied. I am well acquainted with Mrs. Avery and I know that all her statements are reliable, and I have watched the improvement Pink Pills have made in her case and have seen a great change for the better. Many other druggists recommend some preparations, sometimes their own, to be equally as good as Pink Pills, but we cannot conscientiously say so, knowing that as a system tonic Dr. Williams' Pink Pills stand unrivalled."

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such paralysis, locomotor ataxia, St. Vitus dance nervous headache, nervous prostration and tired feeling therefrom the after effects of tired feeling therefrom the after effects of la grippe, diseases depending on humors in bulk.
